

Why We Do What We Do

"If you ever wonder if the hard work your teams put in change people's lives, I can tell you that it does. We have never felt so blessed! Thank you all!" said Mary. Mary and her mother are from West Virginia and lost their home to flooding last June.

Pray for World Renew Around the World

World Renew is working with the Training Program for the Organization of Diaconate in Haiti to serve farmers who have been deported from the Dominican Republic back to Haiti. The project helps existing farmers through training and grain storage services to encourage deportees to increase their knowledge of agriculture in Haiti. Please keep these farmers in prayer as they adjust to life in Haiti.
