

As you carry out World Renew's ministry in your Ambassador role, rest assured that you will receive the orientation, training, and materials you need every step of the way. We are excited about the unique passions and gifts you will bring as you serve!

Together with you, World Renew will help more of God's children embrace their true vocation as ambassadors committed to collaborative activities of justice, mercy, and love.

"It's a great privilege to serve in this way and feel a part of the global mission of our church, and in this way part of the 'global church'."

BECOME AN AMBASSADOR

CONNECT GLOBAL MINISTRY
WITH YOUR LOCAL CHURCH!

**WE ARE THEREFORE CHRIST'S AMBASSADORS,
AS THOUGH GOD WERE MAKING HIS APPEAL
THROUGH US . . . 2 CORINTHIANS 5:20**

You have a heart for the poor. You are passionate about helping others through acts of justice and mercy. You know your church. And you love connecting others with World Renew's ministry.

**WE HAVE JUST THE
OPPORTUNITY FOR YOU:
BECOME A WORLD RENEW
AMBASSADOR!**

Across the globe, World Renew is helping people overcome hunger, poverty, disaster and injustice. We are all in this marvelous work of Christ together: communities, churches, partners, supporters, disaster survivors, field staff, and office staff. As an Ambassador volunteer, you will serve for three years and have the inspiring, integral role of connecting your church with the very communities where World Renew works. You will use your time, skills, and gifts to help motivate people to learn about and give support to World Renew programs.

In short: you will be the hands, feet and eyes of World Renew in your church—and we will give you the tools and guidance you need to serve.

BEING AN AMBASSADOR

To serve as an Ambassador is to act as World Renew's key contact and resource person in your church. You will ensure that devotional materials, bulletin inserts, videos, and other vital resources get to the right people (such as your church's Mission Team). Through you, more people will learn how to get involved in life-changing World Renew projects!

A key part of your role will be promoting and supporting 2-3 World Renew campaigns or programs a year in your church—which amounts to approximately 5 hours of service per month. For example, your church can take part in:

- **The World Hunger Campaign** — An annual campaign that equips churches and families to learn about, pray for, and give support to the fight against global hunger. This campaign includes powerful stories of people in developing countries revitalizing their livelihoods through World Renew programs.
- **The Gift Catalog Program** — Through a special giving catalog, this annual Gift Catalog program raises funds toward gift items that bring

transformational development to poor families around the world. Over \$1.2 million is raised every year through generous supporters!

- **DRS Sunday** — Every year, churches across North America designate a day to pray for and support the ministry of over 3,000 Disaster Response Services (DRS) volunteers giving of their time and talents to assist communities after disasters strike.
- **The Maternal and Child Health Program** — Through community-based health programs, World Renew is helping improve the health of pregnant women and children in developing countries for the long term. Your church can hold an offering to support this life-changing work.
- **CFGB Sunday** — The Canadian Foodgrains Bank (CFGB) is a partnership of 15 churches and church agencies working together to end world hunger, through supporting people in meeting immediate food needs, through improving agriculture and improving nutrition.
