

Why We Do What We Do

"I came in today and was helped by Sid, a volunteer who filled out a form and prayed with me. I cried. Not just because of what we have all been through and this recovery process, but because it was the sweetest prayer and I felt so blessed. Thank you so much," said a woman who recently met with our needs assessment team in Santa Rosa, California.

Pray for World Renew Around the World

Please pray for the thousands of families in India and Indonesia affected by earthquakes and flooding; that the Prince of Peace will reign in situations filled with turmoil, that families may be safe, and that World Renew and other organizations may receive the funds to provide assistance to people in need.
