

Why We Do What We Do

After the hurricane, Linda felt lost and hopeless. She was in danger of losing custody of her kids because they were homeless...a team of volunteers from World Renew DRS and ADRA built a 3-bedroom home for Linda's family that can withstand the high winds that buffet her hilltop land in Puerto Rico. Linda can once again live with hope and raise her children in their new home.

Pray for World Renew Around the World

In August 2017, Rohingya refugees fled from Myanmar to Bangladesh after being targeted with extreme violence. Now many Rohingya are living in refugee camps without adequate means for survival. World Renew and collaborators are working to distribute food to some of the most vulnerable households in the camps. Please ask God to bring resources and healing to these people suffering in Bangladesh.

Group Mission Trips

This winter and spring have been extraordinarily busy with the Groups Program due to the wonderful response of so many people looking to serve.

As such, we are unable to take more groups in the coming months, and summer is near capacity as well. If you have interest in serving this fall or beyond, or would like general information about the DRS Groups Program, please contact our office.
