

### Why We Do What We Do

"The angels came and did a great job," reflected a Hurricane Harvey survivor on her experience with our volunteers. Volunteers at our site in Dickinson, Texas, worked on her damaged home and made a powerful impact as they served in the Lord's name.

### Pray for World Renew Around the World

We lament that so many people are affected by acts of violence amid Nicaragua's political crisis and dealing with resulting trauma. The Nehemiah Center has been working in trauma healing and has facilitated healing groups of more than 20 participants each. Please pray that this work will be blessed and extend to many hurting people in Nicaragua, to the glory of God.
