# Help World Renew DRS Respond to Hurricane Florence and Michael

**In September and October, hurricanes Florence and Michael flooded Virginia, the Carolinas, and Florida with up to 50 inches of rain.**

Your offering today is crucial to helping storm survivors who are least likely to receive adequate assistance in recovering from Florence and Michael.

It is also an opportunity to share the love and hope of Christ in difficult times in people's lives. Your gift to World Renew Disaster Response Services (DRS) helps homeowners in the early days after the hurricane—and long after the initial, emergency response is done.

## How will your gift be used?

In the weeks ahead, your gift can help World Renew cover the cost of sending volunteers to help clean out damaged and waterlogged homes so that people's houses are livable until they can be repaired.

In the coming months, your gift can support teams of volunteers who meet face-to-face with storm survivors to assess their needs and coordinate an appropriate response with local recovery groups.

In the years ahead, your financial support can continue to repair homes that are damaged by Florence and Michael.

World Renew can provide opportunities for churches, families, schools, and groups to help in the response, repairing homes for those who need it most.

World Renew also establishes a long-term presence in communities of need, providing home repair and rebuilding for people who are not able to recover on their own, and reaching out to those who are struggling and bringing hope and help in times of great need.

Your offering gift to *U.S. Hurricanes 2018* through World Renew DRS makes a significant difference among people who can least afford to recover from this disaster.

## Will you give generously to help today?
