

Why We Do What We Do

"We love because He first loved us." 1 John 4:19

Pray for World Renew Around the World

Village Savings and Loan programs focus on the resources, initiative, accountability, and social support present in vulnerable communities. World Renew continues to support equal access to important community resources and projects, and encourages people, regardless of gender, to make critical, life-changing decisions for themselves, their families, and their communities. We praise God for successful work in communities in Uganda.
