

Why We Do What We Do

"...stand strong. Do not let anything move you. Always give yourselves fully to the work of the Lord. You know that your work in the Lord is never wasted."

1 Corinthians 15:58

Pray for World Renew Around the World

South Sudan and neighboring countries are facing the largest humanitarian crisis since the end of World War II. Conflict, displacement, drought, floods, and disease have left millions without the necessities to survive. World Renew's partner in South Sudan will be providing food to families while helping children to recover from malnutrition. Pray for healing and sustainability in this region.
