

Why We Do What We Do

"The couple on whose home we worked have not been able to live in their home since the 2015 flood. Thanks to many volunteers and local support, they hope to spend Christmas 2018 in their home," said Garry, World Renew DRS volunteer from Racine, WI. Garry and others from Racine Chr. Reformed Church volunteered in West Virginia this summer.

Pray for World Renew Around the World

Pray for farmers participating in a village savings and loan program run by World Renew and its partners in Buena Vista, Honduras. Pray that in their communities, which rely on agriculture, these farmers will grow in saving together and in being good stewards of all that God has given, growing closer to him as a result.
