# CHANGE THE STORY OF WOMEN AND GIRLS IN NEED.

**Sponsor a refugee family through the BVOR program.**

Half of the world's 22.5 million refugees are women and girls. By sponsoring a refugee family through the Blended Visa Office Referred Program (BVOR), your church can offer vulnerable women, girls, and their families help and protection as they find hope in a new life in Canada.

The costs of the 12-month sponsorship are shared between the Government of Canada and your church.

Refugees are assessed and prepared for travel as they await a sponsor.

Processing times are short. Refugees will be able to travel to Canada 6-12 weeks after their application is approved.

**For more information on sponsoring a refugee through the BVOR program, please call 1-800-730-4490 or email [worldrenewrefugee@worldrenew.net](mailto:worldrenewrefugee@worldrenew.net)**
