GIFT CATALOG 2018-2019

worldrenew.net/gifts

Thank you for giving the gift of a **Best Seller Bundle**

World Renew wants what God wants for all His children around the world: to experience the life that is truly life, to live in abundance.

We celebrate the bounty of God's love and mercy as we advocate for peace and justice, respond to disasters, and support people who need enough food, fruitful work, and good health. **Your gift of the Best Seller Bundle is an encouragement to many, and it promises an overflow of abundance for those who receive your gift.**

Around the world, World Renew uses animals to help families move from mere subsistence living to enough resources. **A calf, duck, goat, or pig** promises improved nutrition for families and extra income that can allow them access to things like medicine, school fees, and building supplies. As animals reproduce, their positive impact grows and grows. **Abundance.**

World Renew responds to people's desire for fruitful work and self-respect with training and support for farmers and small business owners. **Agricultural training** helps farmers address climate challenges and learn how to get the most out of their land while preserving it for future generations. The simple gift of a **sewing machine** may be the thing that allows a young woman in Uganda to say no to transactional sex,

or a mother in Cambodia to stay with her children rather than moving to the city to find factory work. **Abundance.**

World Renew knows that when people are healthy, they can work and study and serve. As we promote water and sanitation projects around the world, a **latrine**, a **hand-washing station**, and a **family-size water filter** will help prevent disease that can interrupt lives and even cripple them. **Abundance.**

World Renew's ministry is to care for the most vulnerable in all we do. Whether that means seeking justice for girls or supporting refugees or helping disaster survivors, we want to serve those who are overlooked and forgotten. A **wheelchair** will be absolutely life changing for a Nigerian who has had to bear the stigma of disability by crawling on the ground to go anywhere, and it may allow that person access to school and work for the first time. **Abundance.**

Jesus said that if we believe in him, out of our hearts will flow living water. What abundance! What a promise! Thank you for believing in this work. Your support equips us to help people where it is needed most.

THANK YOU

"... I HAVE COME THAT THEY MAY HAVE LIFE, AND HAVE IT TO THE FULL."

—John 10:10
