# GLOBAL VOLUNTEER PROGRAM

*find meaningful and exciting ways to address the effects of poverty, injustice and disaster.*

“In the past 12 years, we’ve developed a true friendship with our brothers and sisters in Honduras. It’s no longer a matter of what we can do for them or how they can teach and bless us but it has become an amazing journey centered on what God is revealing to each of us.”

—Ken, partnership volunteer

## Will you join in God's work around the world?

God's spirit is at work in the world, changing the hearts and lives of those who are open to hear His call.

The Global Volunteer Program is an opportunity for all of us to learn and grow together—to learn what it means to be a part of God's work in the world, and to grow in our response to the Holy Spirit's invitation to be deeply and truly changed for the better.

Whether you are interested in a two-week work team or a multi-year placement, World Renew's Global Volunteer Program has a place for you!

## The Transformation Exchange

The beauty of stepping into God's work in the world is that everyone experiences and shares real transformation in a powerful exchange.

By walking with people in communities around the world, you will both serve and be served—you will offer and receive hope. This pattern of mutual giving and receiving deepens our experience of the fullness of God.

**Together, we are changing the story.**
