Respond to Hurricanes Harvey and Irma

A rash of violent hurricanes and severe flooding is affecting the lives of millions of people in North America and around the world.

The needs are enormous.

World Renew is coordinating a response to **Hurricane Irma**, which lashed Florida and the Caribbean with 185 mph winds and rain.

World Renew is responding to **Hurricane Harvey** after it churned back and forth over Texas, wrecking homes and businesses and dumping up to three feet of rain on Houston.

World Renew is working with local organizations to respond in Florida and Texas and **we need your involvement to help those who are vulnerable or may be forgotten with no “safety net” to catch them in this crisis.**

World Renew Disaster Response Services volunteers have begun helping with clean-up and will be responding in Texas and Florida for several years.

Please give generously today.

World Renew is also responding to massive flooding in South Asia. Visit worldrenew.net/floodingresponses to learn more.

Your financial gift brings hope in Christ's name.

Your financial gift will bring help and hope in Christ's name to storm survivors who are least likely to receive adequate assistance in recovering from these hurricanes. It is also an opportunity to share the love and hope of Christ in difficult times in people's lives.

Your gift to World Renew Disaster Response Services (DRS) helps in the US in the early days after these hurricanes and long after the initial, emergency response is done.

How will your gift be used?

In the weeks ahead, your gift will help World Renew cover the cost of sending volunteers to help clean out waterlogged homes so that people's houses are livable until they can be repaired.

In the coming months, your gift will support teams of volunteers who meet face-to-face with storm survivors to assess their needs and coordinate an appropriate response with local recovery groups.

In the years ahead, your financial support will continue to repair damaged homes. World Renew will provide opportunities for churches, families, schools, and groups to spend a week in Texas and Florida repairing homes where it's most needed.

World Renew is establishing new and strengthening existing relationships with communities in need in order to provide home repair and rebuilding for people who are not able to recover on their own, and to reach out to those who are struggling, bringing hope and help when it's needed most.

Your financial gift to *Hurricane Harvey* or *Hurricane Irma* through World Renew DRS makes a significant difference among people who can least afford to recover from these disasters.

Will you give generously to help today?
