

Help World Renew DRS Respond to Hurricane Harvey

Hurricane Harvey may be one of the worst flooding disasters in the history of the United States.

Your offering today is crucial to helping storm survivors who are least likely to receive adequate assistance in recovering from Hurricane Harvey. It is also an opportunity to share the love and hope of Christ in difficult times in people's lives. Your gift to World Renew Disaster Response Services (DRS) helps Texans in the early days after the hurricane—and long after the initial, emergency response is done.

How will your gift be used?

In the weeks ahead, your gift will help World Renew cover the cost of sending volunteers to help clean out waterlogged homes so that people's houses are livable until they can be repaired.

In the coming months, your gift will support teams of volunteers who meet face-to-face with storm survivors to assess their needs and coordinate an appropriate response with local recovery groups.

In the years ahead, your financial support will continue to repair homes that are damaged by Harvey. World Renew will provide opportunities for churches, families, schools, and groups to spend a week in Texas, repairing homes where it's most needed.

World Renew will establish a long-term presence in communities of need, providing home repair and rebuilding for people who are not able to recover on their own, and reaching out to those who are struggling and bringing hope and help when it's needed most.

Your offering gift to *Hurricane Harvey 2017* through World Renew DRS makes a significant difference among people who can least afford to recover from this disaster.

Will you give generously to help today?
