

# PRAYING AROUND THE GLOBE

SUMMER 2018 SNAPSHOT

## ASIA

- **Middle East:** Pray for our local church partners in Lebanon and Syria who are providing food assistance to 4,100 Syrian families fleeing conflict, and that this work will continue unabated.
- **Bangladesh:** Give thanks that 50,000 Rohingya families (250,000 individuals) have received monthly food rations, and pray for the swift completion of 20 community kitchens in the Jamtoli refugee camp.
- **Cambodia:** Pray for the process of identifying new church partners in the areas where our NGO partners are working and for the new partnerships that will be formed.

## LATIN AMERICA

- **Nicaragua:** Pray for God's peace to reign as political instability has caused violence and danger. Pray for the safety of World Renew staff, especially national staff who have nowhere to evacuate to, and that the people of Nicaragua may experience God's love and mercy.
- **Guatemala:** Give thanks for the continued work of community organizations leading to improved infrastructure including roads and safe, clean drinking water.
- **Haiti:** Pray for the continued work of World Renew and our partners helping farmers to improve their own livelihoods.

## AFRICA

- **Uganda:** Pray for the work of our partner in Uganda, who is facilitating trauma recovery for South Sudanese refugees, and that funding needs will be met for this important work.
- **West Africa:** Give thanks for a children's trauma healing program that reached 39 children with God's healing love.
- **Mali:** Pray for the upcoming presidential elections; for fair elections and peaceful results.

## NORTH AMERICA

- Pray for U.S. Lawmakers, that they would find solutions to the current immigration situation at the southern border that would reflect God's heart for justice and the universally held understanding that families that cross a border together should remain together.
- Pray for Canadian Lawmakers to be moved toward understanding the importance and legislation of exemption for refugee "travel loan" repayment.
- Pray that the "I Am Not My Own" worship and mission tour across Canada may honour God and bless all the participants.
- Continue to pray for those affected by Hurricanes Harvey, Irma, and Maria. Thousands of people have a long road ahead of them yet. Pray also for World Renew Disaster Response Service volunteers as they reach out in compassion to repair homes and share the love of Christ.

## WORLD

- Pray for government officials and lawmakers around the world to be moved with empathy and compassion for the most vulnerable of God's children who are exposed to conflict, living in extreme poverty, and in need of healing and restoration.
- Pray that World Renew staff in all corners of the world, along with our partners, would be encouraged and emboldened in their faith to advocate on behalf of those whose voices have not yet been heard.
- Pray that the Global Church would continue to respond to the needs of God's most vulnerable children.
