

PROGRAM SUPPORT AND EVALUATION

Support World Renew's ministry around the world by joining the Program Excellence Team. This team is responsible for keeping World Renew staff at the cutting edge of relief and development practice by researching best practices, sharing knowledge, evaluating existing programs, and facilitating learning exchanges. Requirements vary by position but may include a bachelors or master's degree in international development.

DISASTER RESPONSE PROGRAM MANAGEMENT

Join World Renew's Disaster Response team and assist in responding to crisis situations around the world. Duties vary and may include program design, program evaluation, budget management, networking with other relief organizations, and volunteer recruitment and management. Requirements vary by position.

VOLUNTEER MANAGEMENT

World Renew is supported by volunteer work teams, interns, accountants, construction supervisors, health specialists, and more. Our volunteers serve terms of two weeks to two years and require varying levels and types of support. Use your skills to recruit, train, place, manage, and support these people as they serve. Requirements vary by position but require attention to detail and well-developed interpersonal skills.

OFFICE ADMINISTRATION

World Renew is made up of more than 100 staff members serving in 30 countries around the world. You can help this ministry function by using your gifts of organization, management, and coordination. Duties could include recruiting and hiring new staff, coordinating travel and logistics, planning and coordinating events, supervising staff, and managing every-day office functions. Requirements vary by position.

**DOMESTIC CAREER
OPPORTUNITES
WITH
WORLD RENEW**

World Renew is compelled by God's deep passion for justice and mercy, joining communities around the world to rebuild hope, reconcile lives, and restore creation.

If you have a desire to live justice, love mercy, and serve Christ in your everyday life, then a position with World Renew may be the career direction you are searching for.

World Renew is known and respected around the world for excellence in transforming communities in need and furthering God's kingdom through integrated community development and disaster response programs. You could become part of this ministry by applying for an open position in one of World Renew's North American home offices. These offices are located in Burlington, Ontario (Canada) and Grand Rapids, Michigan (USA). Positions include:

- Writing/Communications
- Fundraising
- Grant Proposal Writing
- Program Support and Evaluation
- Disaster Response Program Management
- Volunteer Management
- Office Administration

For a list of available positions, visit worldrenew.net/careers.

WRITING/COMMUNICATIONS

Use your writing and communications skills to develop strategies to tell the story of World Renew's ministry. Duties could include writing articles, press releases, web-site content, advertisements, video scripts, direct mail fundraising letters, and more. Tasks can also include coordinating and conducting interviews and serving as spokesperson to the media. Positions typically require a bachelor's degree and proven experience as an effective communicator. (Writing samples will be requested.) Other requirements may vary by position.

FUNDRAISING

Join World Renew's Constituency Relations team and use your interpersonal skills to get people excited about, involved in, and financially supporting World Renew's ministry. Tasks include interacting with individuals, churches, and businesses through personal visits, individual phone calls, direct mail, and specific proposals. Requirements include a bachelor's degree and proven experience as an effective communicator. Other requirements vary by position.

GRANT PROPOSAL WRITING

Use your writing, reporting, and management skills to assist World Renew in requesting, securing, managing, and reporting on grant funding. In Canada, tasks primarily include working with grants from the Canadian International Development Agency. In the US, responsibilities include working with the United States Agency for International Development as well as other funding agencies. Requirements include a bachelor's degree and experience in grant proposal writing. Other requirements vary by position.
