Uzima is a Swahili word that means "full of life." When you choose an item from World Renew's gift catalog, you create an opportunity for God to turn everyday events into miracles like enough food, fruitful work, good health, and community service.

In the Swahili Bible, uzima is the word used for "the life that is truly life." It includes wellness, balance, and Shalom. Uzima represents the kind of whole-person transformation that World Renew works toward in communities "... I HAVE COME THAT THEY MAY HAVE LIFE, AND HAVE IT TO THE FULL." –John 10:10

of poverty. As people build more resilience, resources, and success, we are confident that God is weaving together His plan for redemption and wholeness that transforms mind, body, spirit, and soul.

By choosing an item from this catalog, you can offer Uzima — abundant life — to someone who is hungry, poor, and oppressed. A goat or chicken, a wheelchair or sewing machine may be the powerful opportunity someone needs to begin to experience the fullness of life that God intends.

Uzima includes compassionately serving those in need, empowering, equipping, and encouraging others to make a commitment to God's work of wholeness and wellness in their own lives. This is what your donation to World Renew's gift catalog accomplishes. Share the joy of abundant life today. Uzima!

What's better than being BFFs (Best Friends Forever)? The Friendship Pack is 1 goat and 2 ducks that help families around the world earn income and eat regularly. Some things are just better together!

"A couple of weeks before Christmas break, I told my third-grade class about giving a duck to a family in Bangladesh through World Renew's gift catalog," said Mrs. Harris. "Then our former principal said that if we purchased two ducks, he would donate the money for the third one.... The challenge was on!

"The students looked under sofa cushions and returned soda cans to get spare change. They raised \$44 to purchase four ducks, and the principal bought the fifth duck. Collecting spare change may not seem like much, but when it's put together and purposed with intent, it can surely have an impact," Mrs. Harris said. "I'm proud of our five ducks, and I'd love to begin a new catalog project for our next purchase!"
