

## 2016-2017 GIFT CATALOG

**WorldRenew**<sup>™</sup>  
LIVING JUSTICE • LOVING MERCY • SERVING CHRIST

## WHY ARE THESE THE **BEST GIFTS EVER?**

This year, all of your favorite items have been gathered together into one catalog, making them the BEST GIFTS EVER for you to choose from!

You may be picking out Christmas gifts with your grandchildren, setting up a Giving Tree for Advent, or honoring the milestone of a loved one. The joy of choosing gifts from the catalog brings you close to those you care about.

At the same time, your act of selfless giving builds up biblical values in your life and the lives of your loved ones — Christ-like attitudes such as generosity, compassion, and gratitude. As you give in faith, God makes Himself visible through World Renew's ministry in communities where people live in situations of poverty, hunger, and injustice.

For more than fifty years, the help that World Renew provides to

people who live in poverty through your gifts has been practical and appropriate. It's based on scriptural principles and shaped by the concerns of people's lives. That's why World Renew's development, justice, and disaster programs get long-lasting results in some of the poorest communities on earth.

When you give, you make a powerful difference in the lives of the poor — and it's God's power. The God who shares from His abundance with us intends that we share His benefits with others.

**As Christ-followers, we want to give the best gifts ever as we follow the Best Gift Ever, Jesus Christ, who humbled Himself and became like us so that we can become more like Him. God bless you as you give.**

## WHAT ARE THE SUSTAINABLE DEVELOPMENT GOALS?

For 15 years poverty-fighting organizations around the world, including Christian agencies like World Renew, contributed through their international ministries to eight development goals established by the United Nations. Many of the results of this global effort to end poverty and hunger are impressive. You can find a summary at [www.un.org/millenniumgoals/2015MDGReport](http://www.un.org/millenniumgoals/2015MDGReport).

Despite significant gains extreme global poverty is not over, and in 2015 leaders from 193 U.N. member states committed to working toward 17 new goals in the next 15 years. World Renew's ministry with people who live in hunger, poverty, and disaster will continue to contribute to these Sustainable Development Goals in transformative, Christ-centered ways in 2016 and beyond.
