

UZIMA

GIFT CATALOG 2018-2019

Thank you for giving where help is **most needed**

In the Swahili Bible, the word *uzima* means “the life that is truly life.” *Uzima* speaks of abundance, a fullness or wellness that transforms. The disciple John tells us that Jesus said He came so that we might have life and have it to the full. When Jesus declared Himself to a festival crowd as “the bread of life” to slake their spiritual hunger and the next day, with compassion for their physical hunger, fed a crowd of thousands actual loaves, He was offering them *uzima*.

World Renew’s ministry with people in need depends on people like you who give, pray, and work out of gratitude for the abundance God has given us, working for **abundant lives for the vulnerable and hurting**. Last year, your support made that possible for over 600,000 people around the world. World Renew’s local partners in 33 countries to respond to both short-term disaster needs and long-term community development and the promotion of peace and justice.

Abundance comes in ways big and small—training for farmers and providing drought-resistant seeds to plant, a duck or an entire herd, small tools, literacy classes, a water filter for a family, and clean water for an entire village. **UZIMA!**

Your willingness to offer your assistance where it is needed most reflects Jesus’ desire to meet our every need. Your confidence that your gift will be used well is an encouragement to many whose work makes this ministry of justice and mercy possible.

With your gift to the 2018-2019 gift catalog, World Renew offers abundance to people who need it most.

THANK YOU

“... I HAVE COME THAT THEY MAY HAVE LIFE, AND HAVE IT TO THE FULL.”
