*Gift Catalog 2017-2018*

## GAP GIFTS

In Ezekiel's day, God was looking for a faithful person to repair the wall around the city of Jerusalem so that the Israelites would be saved from destruction. But God didn't see anyone. He knew that His people not only had a wall problem, they had a heart problem. He was looking for a go-between who would fight against oppression and injustice — and He couldn't find one in all of Israel.

God was looking for people with willing hearts who walked in His Spirit, people who would hold each other up before Him when life got hard. He was looking for someone who would “stand . . . in the gap” in His plan for His people, to brace the parts that were broken. He wanted people to build their lives together into a strong tower for each other in Him.

We need intercessors to work and pray hard for us today. And God looks for us to “stand in the gap” against poverty and injustice for others, too. We do this because God graciously invites us into Jesus’

*I looked for someone  
among them who would  
build up the wall and stand  
before Me in the gap . . .  
but I found no one.*

**EZEKIEL 22:30**

redemption plan for the world. Thank God that He gives this work to us and others.

The *World Renew 2017-2018 Gift Catalog* is a way to “stand in the gap” on behalf of people who face oppression and poverty. Each duck, seed, and water pump is a powerful intervention that can repair harm and help build resilience in peoples’ lives. Praying for and helping others is the stuff that holds us together as followers of Jesus Christ, even as we are standing in the need of help and prayer ourselves.

What about you? Has God strategically put you in a place to help build people up? Take a stand against poverty, disaster, and hunger. Your donation to World Renew’s gift catalog provides people with a sturdy foundation on which to build a future with hope.

*What will you give to fill the gap?*
