

Gifts through World Renew are powerful interventions to repair harm and build resilience in people's lives. Simple gifts like seedlings, ducks, or water pumps play a role in creating foundations for hope!

GIFT

This gift made in your honor stands in the gap to address poverty.

Last year, World Renew reached nearly 800,000 people who live in poverty with emergency disaster response and long-term poverty alleviation through integrated programs in health, agriculture, income-earning, literacy, and leadership development.
