Independent Auditor's Report

To the Governing Board of World Renew

We have audited the accompanying financial statements of World Renew, which comprise the statement of financial position as at June 30, 2017, and the statements of activities and changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to World Renew's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of World Renew's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

In common with many not-for-profit organizations, World Renew derives revenue from donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of this revenue was limited to the amounts recorded in the records of World Renew. Therefore, we were not able to determine whether any adjustments might be necessary to revenue, excess (deficiency) of revenue over expenses, and cash flows from operations for the years ended June 30, 2017 and 2016, current assets as at June 30, 2017 and 2016 and net assets as at July 1 and June 30 for both the 2017 and 2016 years. Our audit opinion on the financial statements for the year ended June 30, 2016 was modified accordingly because of the possible effects of this limitation in scope.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of World Renew as at June 30, 2017, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

World Renew Notes to Financial Statements

June 30, 2017

1. Significant Accounting Policies

Nature of Organization

World Renew operates under the direction of the Synod of the Christian Reformed Church in North America. World Renew is incorporated under the Canada Not-for-Profit Corporations Act as a not-for-profit corporation without share capital and is a registered charity under the Income Tax Act. The purpose of World Renew is to provide programs to aid developing countries and disaster relief, where necessary.

World Renew administers its overseas work in association with World Renew of the United States of America ("World Renew USA"), a Michigan non-profit corporation, and World Renew International, through a joint ministry agreement which they have established. World Renew accounts for its proportionate share of shared costs incurred by the joint ministry.

Basis of Accounting

The financial statements of World Renew have been prepared in accordance with Canadian accounting standards for not-for-profit organizations.

Fund Accounting

World Renew follows the Restricted Fund method of accounting. World Renew ensures, as part of its fiduciary responsibilities, all funds received with a restricted purpose are expensed for that purpose.

For financial reporting purposes, the accounts have been classified into the following funds:

- (i) The Operating Fund accounts for World Renew's program delivery and administrative activities. This Fund reports unrestricted donations and restricted donations that do not have a separate restricted fund presented.
- (ii) The Board Designated Fund includes the Joseph Fund, the Village Savings and Loan Fund and the Grants Reserve Fund.

Non-designated estate gifts received in any given year are placed in the Joseph Fund. These funds, coupled with specifically designated Joseph Fund gifts, represent the Joseph Fund. The Joseph Fund releases funds into general operations over a period of seven years, 10% in year one and 15% in each of the remaining six years. During the year, gifts of \$284,768 (2016 - \$402,476) were made to the Joseph Fund and recognized as contribution revenue. During the year, \$410,452 (2016 - \$345,184) was transferred to the Operating Fund via an interfund transfer.

The Village Savings and Loan Fund consists of specifically designated gifts. Funds are released into general operations when certain program criteria are met over a period of fifteen years, at the rate of approximately 6.67%. During the year, gifts of \$6,650 (2016 - \$212,130) were made to the Village Savings and Loan Fund and recognized as contribution revenue. During the year, \$43,204 (2016 - \$42,761) was transferred to the Operating Fund via an interfund transfer.

- (iii) The CFGB Fund reports the assets, revenue and expenses relating to the Canadian Foodgrains Bank Association Inc. ("CFGB").

World Renew Notes to Financial Statements

June 30, 2017

1. Significant Accounting Policies (Continued)

Revenue Recognition

Contributions are recorded as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Due to the difficulty in determining their value and in that they would otherwise not have been purchased, contributed materials and services are not recognized in the financial statements.

Government contributions and other significant institutional grants are recorded as deferred revenue when the contribution is awarded and revenue is recognized as the requisite program expenses are incurred.

Capital Assets

Capital assets are recorded at cost less accumulated amortization. Amortization is provided over the estimated useful life using the straight-line basis as follows:

Computer equipment	-	3 years
Office equipment	-	10 years

Program Service Expenses

Program expenses paid through World Renew USA, an affiliated organization, are expensed when invoiced from that organization. Salaries for program expenses paid directly by World Renew are recorded as the costs are incurred.

Other program expenses for non-domestic programs are expensed when the funds are spent in the field for program purposes.

Domestic program expenses are recorded as the costs are incurred.

Allocation of Support Services

World Renew's principal activity is to provide services for five major programs: overseas development, disaster relief, domestic development, education and justice and Canadian Foodgrains Bank Association Inc. ("CFGB"). The costs of each include the salaries, benefits, home office costs and field costs. All allocations are based on an estimate of time in each function.

World Renew also incurs support services that are common to more than one program or department. There are two major categories of support services, namely management and general, and resource development. Resource development consists of the following departments: general communications, major donors, church relations, missionary program partner and communications.

50% of the expenses incurred in certain resource development departments is allocated to the education and justice program. These resource development departments are church relations, missionary program partner and communications.

World Renew

Notes to Financial Statements

June 30, 2017

1. Significant Accounting Policies (Continued)

Foreign Currency Translation

At the transaction date, each asset, liability, revenue and expense is translated into Canadian dollars by the use of the exchange rate in effect at that date. At the year end date, monetary assets and liabilities are translated into Canadian dollars by using the exchange rate in effect at that date and the resulting foreign exchange gains and losses are included in income in the current period. Foreign exchange gains of \$33,731 (2016 - \$9,351) are included in management and general support service expenses. Unrealized foreign exchange losses of \$46,067 (2016 - \$107,013) are included within the program services expenses.

As at June 30, 2017, there was \$621,078 (2016 - \$30,132) denominated in US dollars included in cash and \$200,811 denominated in US dollars due from World Renew USA (2016 - \$473,874 due to World Renew USA.)

Pension Plan

World Renew maintains a defined contribution pension plan for unordained employees. Contributions are recognized as an expense in the year to which they relate.

Use of Estimates

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from management's best estimates, as additional information becomes available in the future.

Financial Instruments

Financial instruments are recorded at fair value when acquired. All investments have been designated to be in the fair value category, with investment income reported in operations. All other financial instruments are subsequently reported at cost or amortized cost less impairment, if applicable. Financial assets are tested for impairment when changes in circumstances indicate the asset could be impaired. Transaction costs on the acquisition, sale or issue of financial instruments are expensed for those items remeasured at fair value at each statement of financial position date and charged to the financial instrument for those measured at amortized cost.

Income Taxes

No provision for income taxes is required as World Renew is exempt from income taxes under the Income Tax Act.

2. Field Advances

Field advances are due on demand and represent holdings of overseas offices for use of current and future programs consisting of reconciled overseas bank accounts, petty cash holdings, staff advances, and in certain offices, emergency evacuation funds.

World Renew Notes to Financial Statements

June 30, 2017

3. Related Party Balances and Transactions

The following table summarizes the amounts due from (to) related parties, which are organizations related through common control:

	2017	2016
Due from related parties		
Due from The Christian Reformed Church in North America - Canada Corporation	\$ 1,866,967	\$ 2,235,269
Due from World Renew USA	200,811	-
	\$ 2,067,778	\$ 2,235,269
Due to related party		
Due to World Renew USA	\$ -	\$ (473,874)

The amounts due from (to) related parties are unsecured, non-interest-bearing and have no fixed terms of repayment.

World Renew is affiliated with World Renew USA and certain field projects are jointly funded. Payables to or receivables from World Renew USA result depending upon the original funding sources and availability of funds for the joint field projects. During the year, in connection with the joint field projects, \$2,568,893 (2016 - \$1,465,270) of expenses were allocated to World Renew from World Renew USA, and \$3,243,578 (2016 - \$2,899,057) of expenses were allocated from World Renew to World Renew USA.

World Renew also paid \$1,250,010 (2016 - \$1,271,702) to the Christian Reformed Church in North America - Canada Corporation for management and support services.

These transactions were made in the normal course of business and have been recorded in appropriate expense accounts at the exchange amounts.

4. Canadian Foodgrains Bank Association Inc.

World Renew is one of fifteen partners in the Canadian Foodgrains Bank Association Inc. ("CFGB"). CFGB, with support from its partners and Global Affairs Canada (formerly the Department of Foreign Affairs, Trade and Development), provides support to developing countries.

The investment in CFGB represents residual funds held by CFGB for World Renew. The balance and results of operations related to CFGB were recorded from the audited March 31, 2017 financial statements of CFGB.

As part of the operating agreement, should World Renew ever cease to be a member, the balance with CFGB would remain with the CFGB and would be directed towards an approved program and/or a standing partner of CFGB.

World Renew Notes to Financial Statements

June 30, 2017

5. Capital Assets

	2017		2016	
	Cost	Accumulated Amortization	Cost	Accumulated Amortization
Computer equipment	\$ 1,385	\$ 730	\$ 1,385	\$ 730
Office equipment	71,162	59,880	62,441	57,594
	\$ 72,547	\$ 60,610	\$ 63,826	\$ 58,324
Net book value		\$ 11,937		\$ 5,502

6. Deferred Contributions

Deferred contributions represent funds for specific development and disaster relief programs in excess of expenses incurred on these programs.

	2017	2016
Balance, beginning of year	\$ 6,769,130	\$ 7,314,244
Amounts recognized as revenue in the year	(8,300,871)	(9,359,436)
Amounts received related to ongoing projects	8,854,888	8,814,322
	\$ 7,323,147	\$ 6,769,130

World Renew Notes to Financial Statements

June 30, 2017

7. Government Contributions

World Renew receives contributions from Global Affairs Canada (formerly the Department of Foreign Affairs, Trade and Development). The following schedule outlines the contributions awarded and the revenue recognized in the year:

	2017	2016
Global Affairs Canada:		
Bangladesh	\$ 207,167	\$ 222,208
Honduras	252,298	218,100
Malawi	(15,138)	-
Mali	173,533	207,152
Mozambique	171,836	128,979
Nigeria	44,095	146,696
Senegal	121,408	214,002
Tanzania	161,032	117,626
	1,116,231	1,254,763
Canadian program administration	112,469	183,037
Administration overhead allocation	157,032	172,535
	\$ 1,385,732	\$ 1,610,335

8. Credit Facility

The Board has authorized the use of agency funds, on deposit with its banker and incorporated in the cash management system, as collateral for borrowing of the Christian Reformed Church in North America. No amount has been drawn upon this credit facility as at June 30, 2017 (2016 - \$Nil).

9. Pension Plans

Unordained employees of the Christian Reformed Church are covered by a group registered retirement savings plan, under which World Renew contributes a specified percentage of its employees' base salary. During the year ended June 30, 2017, the contributions to the plan were \$260,197 (2016 - \$245,908).

World Renew Notes to Financial Statements

June 30, 2017

10. Financial Instrument Risks

Credit Risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. World Renew is exposed to credit risk resulting from the possibility that a counterparty to a financial instrument defaults on their financial obligations. World Renew's financial instruments that are exposed to concentrations of credit risk relate primarily to its accounts receivable, field advances and due from related parties. This risk has not changed from the prior year.

Currency Risk

Currency risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. A significant portion of World Renew's expenses is made in foreign countries. World Renew is exposed to foreign exchange fluctuations to the extent that these purchases are denominated in U.S. dollars, and World Renew does not engage in derivative activities to hedge these exposures. World Renew's financial instruments that are exposed to currency risk relate primarily to its cash and due from related party. This risk has not changed from the prior year.

Liquidity Risk

Liquidity risk is the risk that World Renew encounters difficulty in meeting its obligations associated with financial liabilities. Liquidity risk includes the risk that, as a result of operational liquidity requirements, World Renew will not have sufficient funds to settle a transaction on the due date; will be forced to sell financial assets at a value which is less than what they are worth; or may be unable to settle or recover a financial asset. Liquidity risk arises from World Renew's accounts payable and accrued liabilities. This risk has not changed from the prior year.
