HOW TO USE THIS CATALOG

HAVE FUN SELECTING GIFTS from this catalog or at worldrenew.net/gifts.

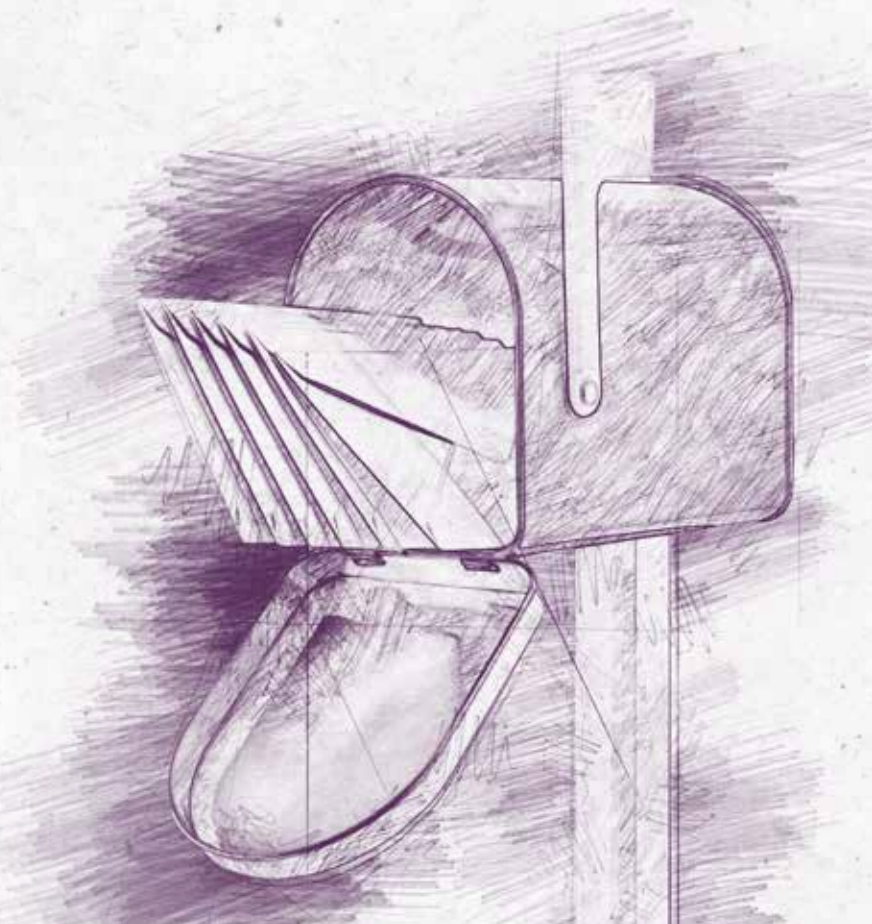

PLACE YOUR ORDER BY DONATING online, or fill out the order form at the back of this catalog. Then mail it with your credit card information or check made out to World Renew.

AN ACKNOWLEDGEMENT CARD LETS a loved one know that you made a gift to World Renew in their honor. Use the order form on page 31 to let us know which acknowledgement cards to send.

ORDER BY DECEMBER 2, 2022, TO GET YOUR ACKNOWLEDGEMENT CARDS IN THE MAIL BEFORE CHRISTMAS!

IF YOU WOULD LIKE to receive a printed acknowledgement card in the mail before Christmas Day, please be sure to place your catalog order, including your request for acknowledgement cards, by **December 2**. Or you can download and print acknowledgement cards from worldrenew.net/gifts at any time.

World Renew's ministry with people who live in hunger, poverty, and disaster contributes to the United Nations Sustainable Development Goals in life-changing, Christ-centered ways. Find out more at worldrenew.net/sdgs.

ANIMAL RAISING

goat

Goats are amazing! Like cows, goats “chew their cud” and have four stomachs, so they burp – a lot. They also produce nutritious milk to drink and their droppings can be used as fertilizer. That helps families grow more food to eat and then sell for income to buy clothes, soap, medicine, and other items.

400353

\$50

\$3

chicken

Do you know that chickens outnumber people in the world by four to one? For many people, raising chickens is a great way to start a low-cost home business. A family that is struggling to eat each day can invest in raising chickens when you help with a gift of a chicken through World Renew.

400483

\$15

rooster

Chickens provide farm families with eggs every day. Eggs provide protein as part of a nutritious meal for children and adults, and extra eggs can be sold for income. But a rooster is needed to fertilize the eggs if you want to hatch baby chicks to grow a flock. A rooster is a gift you can crow about!

400867

\$30

chicken-raising training

Poultry-raising training helps families grow chickens successfully for food and income. Through World Renew, farmers learn about feeding, tending, and hatching healthy chickens as well as basic accounting, budgeting, and marketing skills to equip them to grow their small business.

400852

\$62

friendship pack

Good friends help each other. The friendship pack is four chickens and a goat that help farm families earn a steady income by selling some of their eggs and milk. Economic stability means families can stay together when parents work their own land instead of looking for work in another town or country.

400587

\$10

chicken coop

To raise healthy chickens, farmers need to keep their flocks clean and dry, especially in the tropics where increasingly unpredictable rains can cause flooding and disease. A 2-by-5-foot chicken coop helps a farmer control bacteria and parasites as well as prevent respiratory illnesses to keep chickens healthy.

400869

\$11

duck

Duck eggs provide a farm family with protein for better health, and duck droppings can be used as fertilizer to grow more nutritious vegetables. Raising ducks helps families earn income all year. A family that makes a profit from selling eggs can start to save for medicine or a doctor visit.

400574

1 RABBIT
\$5

3 RABBITS
\$15

rabbit

Soft, cuddly bunnies are super cute! They also reproduce quickly to help farmers earn even more income. A doe (female rabbit) can have four litters of babies, called "kittens," a year. Give one rabbit, or by giving three rabbits, you can help a farmer get a quick start in raising rabbits.

400487

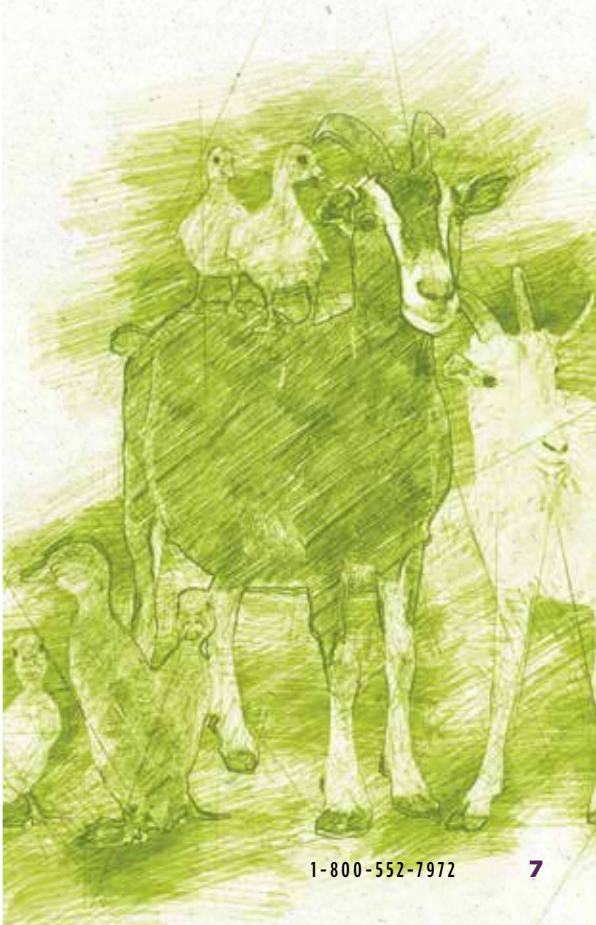

goats & quackers

\$155

What has 18 legs and quacks? Goats & Quackers! These five ducks and two goats provide meat, eggs, milk, and income for families that raise them. Your gift of Goats & Quackers helps village families earn income to sustain them when food is scarce, which is just before the crops are ready for harvest.

400588

\$160

pig

Families who buy a sow (female pig) through World Renew can breed it and sell the piglets to other farmers who raise them for income. The family also gives one piglet from the first litter to help another farm family start a pig-breeding business. That way, the whole community can benefit!

400452

\$40

piglet

Your gift of a piglet helps a person with few job opportunities earn much-needed income. Piglets can be weaned, fattened, and sold for a profit in just a few months. When they're born, piglets weigh two or three pounds and in six months, with good food and care, they average 250 pounds.

400870

the herd

Purchasing a herd means giving one of each animal in the catalog: a goat, a pig, a piglet, and a rabbit to help families raise food to eat better and earn more income. Your gift includes vaccinations, training in raising animals, and instructions for growing forage crops so that farmers have the best chance for success.

400570

\$265

where needed most

There are many great items in this catalog to use your donation well, including giving where it can do the most good! When you choose to give "where needed most," World Renew directs your gift to areas of great need around the world where it can do the greatest good in communities of poverty.

HERITAGE COMMUNITY CHRISTIAN SCHOOL

New Dublin, Ontario

The Senior Kindergarten class and their teacher, Ms. Whitney, at Heritage Community Christian School in New Dublin, Ontario, held a book sale in December that raised money for the World Renew gift catalog. The children collected donated books and then sold them to their schoolmates. The students practiced working as cashiers, customer service people, and bag packers. In all, they raised \$207! With the money they donated to World Renew, the students chose 13 chickens, 3 rabbits, and 2 ducks. "The students were so enthused about this project. Their joy was evident throughout the classroom," Ms. Whitney said. "They were excited to bless others around the world."

HEALTH + NUTRITION

first 1,000 days

\$82

Good health from conception to two years old is essential to a long life. Provide training for community volunteers who visit expecting mothers and newborns at home. Trained volunteers teach good health, hygiene, and nutrition to families at risk of malnutrition and preventable diseases.

400603

baby scale

\$50

A scale for weighing babies helps parents who don't have access to health services monitor their children's nutrition and growth. Monthly growth monitoring by a trained health volunteer also teaches parents about their children's nutritional needs to prevent hunger and malnourishment early in life.

400489

\$60

solar dehydrator

Families in poor communities don't have electricity or refrigeration, so they need ways to preserve the food they grow. Your gift of a small plastic tent keeps food clean as the sun's heat dries the produce. Families can then grind the food into powder to add nutrition when cooking meals.

400802

\$50

kitchen hygiene training

Taking precautions to wash away bacteria while cooking is necessary for good health. You can help a community with training in kitchen hygiene practices, including how to avoid cross-contamination and undercooking, remove bacteria from hands and surfaces, and eliminate food-borne illness.

400871

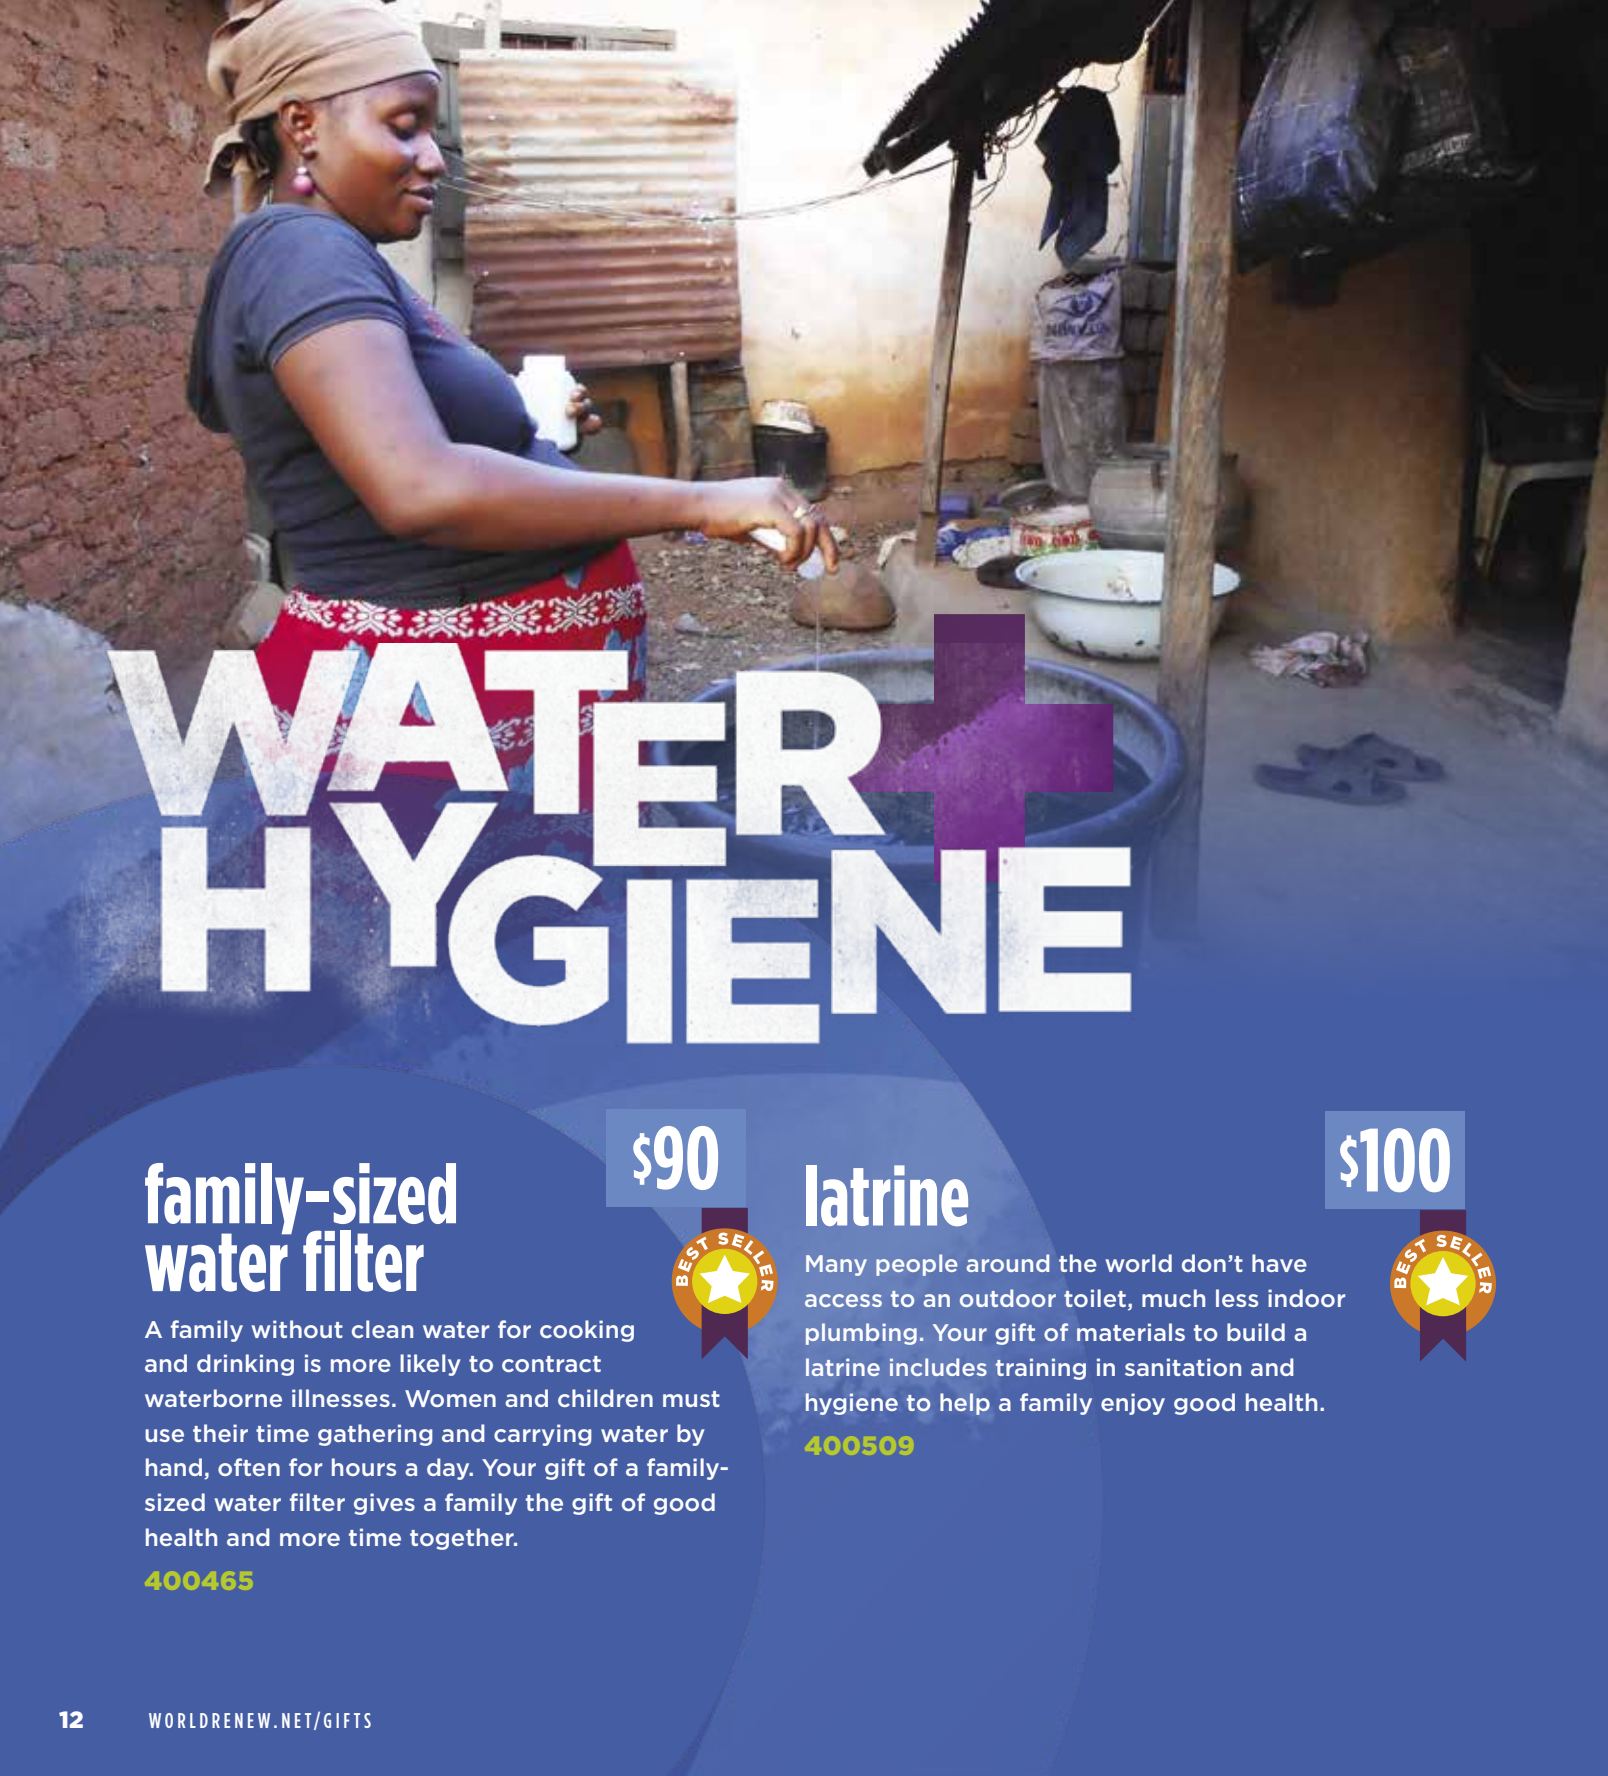

nutrition kit for children

\$19

When children don't get the food they need to be healthy, your gift of a nutrition kit can supplement their diet to ensure that they get the vitamins they need to help them grow and maintain good health. Give vitamins, medicine to stop parasites, beans to grow to make soy milk – or give all three!

ALL THREE ITEMS	400415	\$19
SOYBEANS	400600	\$5
VITAMINS	400601	\$8
MEDICINE	400602	\$6

WATER+ HYGIENE

family-sized water filter

A family without clean water for cooking and drinking is more likely to contract waterborne illnesses. Women and children must use their time gathering and carrying water by hand, often for hours a day. Your gift of a family-sized water filter gives a family the gift of good health and more time together.

400465

\$90

latrine

Many people around the world don't have access to an outdoor toilet, much less indoor plumbing. Your gift of materials to build a latrine includes training in sanitation and hygiene to help a family enjoy good health.

400509

\$100

\$5

10 bars of soap

When you give to provide a child with ten bars of soap, they will be able to wash up throughout the school year and into the summer. Give a child a year of cleanliness, along with instruction in the health benefits of hand washing and body hygiene.

400873

\$45

handwashing kit for children

Hand washing saves lives. At school or home, children who have easy access to water and soap, and learn to wash their hands regularly, get sick less often and spread fewer germs. Your gift of a handwashing kit encourages children to practice good handwashing hygiene every day.

400872

\$25

hand-washing station

Give the gift of good health by purchasing a handwashing station to help stop the spread of germs and diseases. This simple handwashing station includes hygiene training and is easy to build with inexpensive, local materials. It is also foot-powered, so it is sanitary and works without electricity.

400798

FREE A FAMILY®

\$27 **\$324**
A MONTH A YEAR

For less than \$1 a day, you can help families around the world overcome poverty. Through World Renew programs in their own community, people learn skills in leadership, agriculture, health, nutrition, literacy, and much more. The result is more nutritious food, clean water, better health and enough income for families and their communities.

400178

here's how:

Go to page 31, and check the monthly or annual giving box next to "Free A Family" on the order form. We will send you a sign-up brochure and welcome packet.

Starting with your first recurring gift of \$27 or more to Free A Family, you can give automatically by credit card or sign up to give through a bank account. You can also make your gift by check.

INTERNATIONAL DISASTER RESPONSE

clean water in an emergency **\$265**

When there is a global crisis, the people most affected need emergency access to clean drinking water. This gift can include water-purification tablets, a water filter, and a community water storage unit. The gift of safe drinking water stops the spread of water-borne diseases in an emergency.

210162

emergency food for a month **\$60**

In a crisis, food and other essentials can be hard or impossible to access. You can provide a month of food to a family experiencing a natural disaster or violence. Your gift includes a four-week supply of beans, rice, cooking oil, and other staples to feed and nourish a family in urgent need.

210102

mobile library

\$1,700

Children in remote villages can live a long distance from a library. Your gift of a motorbike and trailer can take books to communities in an isolated area. Give students the chance to improve their reading skills, develop their intelligence and imagination, and walk the path to a lifelong love of learning!

400800

children's books for a mobile library

\$75

Fill a mobile library with books for curious children! This gift helps children build good reading habits that will influence their learning journey all through their lives. Parents and grandparents also learn to spend time with children to improve their skills and their love of books.

400885

RECREATE LIVING GUIDE

the best seller bundle

\$3,495

Here are a few of your favorite things from last year's catalog. We put them all together into one big bunch of goodness called the best seller bundle. Your most-loved gifts bring families who live in poverty opportunities for better health and hygiene, more food and income, and well-being with hope. **1 goat, 1 duck, Goats & Quackers, 1 latrine, the whole barnyard, a family-sized water filter, the herd, 1 Farm Team, 1 bicycle, and "where needed most."**

400467

the whole barnyard

\$2,665

This gift includes **10 goats, 8 pigs, 4 piglets, 25 ducks, 15 rabbits, 50 chickens, and 5 roosters** and farmer training in how to raise them. Fill a whole barnyard with noisy, healthy animals from World Renew and help families with enough food, better nutrition, a stable income, and hope for tomorrow!

400491

bible study data bundle

\$125

This data bundle engages church leaders and members in a weekly course to explore Bible passages. The study teaches about God's care for people who are vulnerable and oppressed, and inspires learners to reach out to their neighbors. Includes an initial meeting, enrollment, app, and data.

400884

the farm team

\$294

The Farm Team is one of each animal and bird in this catalog. The **goat, pig, piglet, rabbit, duck, rooster, and chicken** all made the team! This gift provides families around the world with more food, milk, eggs, and income to feed and support themselves as they work towards leaving poverty behind.

400468

\$50

clean up after a disaster

Natural disasters damage homes and property across the U.S. and Canada. World Renew's disaster response volunteers help low-income homeowners repair and rebuild their houses by providing volunteer labor, mucking out, mold removal, and more, so families can return to a dry, safe home.

310003

small tools

\$25

World Renew's disaster response volunteers need safe, usable tools to help homeowners in the U.S. and Canada recover from natural disasters. Your gift can include hand and power tools such as nail guns, drills, saws, hammers, tape measures, and paint brushes to complete repairs and rebuilding.

With your 1-year pledge to 12 Months of Christmas giving, you will receive a reminder of your donation to the catalog each month in the mail. The gifts include favorite items like a goat, a water filter, childhood nutrition kits – and much more!

In exchange, you will receive a display stand and 12 beautifully designed, 4-inch by 5.5-inch mini-art prints and envelopes that feature encouraging words of faith from Scripture to display in your home and office or to mail to your loved ones.

Renewing is easy. Just join 12 Months of Christmas through World Renew's gift catalog again next year, and you'll receive a whole new set of catalog items to give, and 12 new mini-art prints to display or send to friends. You can unsubscribe at any time.

400809

GROWING FOOD

tools for farming

Hand tools help farmers get their work done. Green manure improves the soil, a jab planter helps in sowing seeds, and a loop hoe eases weeding in small spaces. Your gift of 1 or all 3 tools helps a farm family grow enough food to eat year-round, pay for essentials, and improve their health and wellbeing.

GREEN MANURE	400805	\$20
LOOP HOE	400807	\$10
JAB PLANTER	400806	\$50
ALL THREE TOOLS!	400804	\$80

\$25

kitchen garden kit

A kitchen garden provides a family with nutritious vegetables right outside their door. When space is tight, a sack garden is a great way to add fresh produce to meals and cooking. Give a kitchen garden kit that includes 5 sacks and 5 seed packets to grow food for good health. Just add water and sunshine!

400605

\$10

variety seed packet

Traditional foods like rice and corn provide calories, but a more varied diet is needed for long-term good health. Your gift of vegetable seed varieties provides families with spinach, beans, carrots, tomatoes, and other fresh produce that has the vitamins and minerals required for a long, healthy life.

400854

\$250

farmer field school (FFS) starter pack

An FFS starter pack has all that a community needs to launch a group of subsistence farmers into earning more income. This gift includes a half-acre of land, gloves, boots, hand tools, and more equipment. It also has seeds, bio-herbicides, and training in agriculture and crop storage for food access year-round.

400796

\$140

direct seeder

A direct seeder allows farmers to plant their fields while preserving the soil's fertility. The seeder has a cutting disk, ripper tine, and a slot that drops fertilizer and one seed at a time into the ground. Your gift of a direct seeder can help 3 to 5 farmers practice conservation agriculture methods to grow food.

400874

\$200

agriculture training

Help farmers learn new agriculture techniques so that they can grow more food to eat and sell. World Renew teaches subsistence farmers climate adaptation with growing methods like soil conservation, composting, permaculture practices, low-till techniques, and improved seeds and tools.

400497

\$85

crop monitoring app

Small-holder farmers worldwide who have learned advanced farming skills can monitor their progress with an app on their phones. Your gift of a crop monitoring app gives a farmer online access to agriculture and market information, as well as the ability to track their crop performance year-over-year.

400875

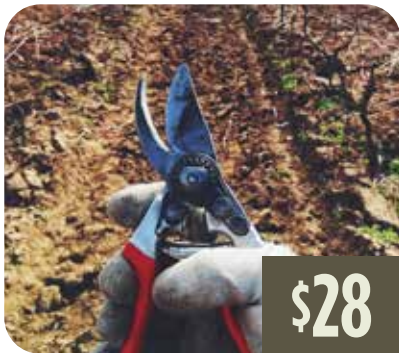

\$95

greenhouse or shade net

In tropical climates, the sun can be harsh and quickly wilts tender plants. Your gift of a shade net or greenhouse protects a farmer's crops from heat stress, helps increase production, and results in better prices at the market. A shade net or greenhouse also protects crops from insects and birds.

400876

\$28

pruning set

Deforestation affects farmers who live on land with marginal soil quality, but they are learning to manage forest regeneration with World Renew. Provide a farmer with a set of pruning tools, including a shears, grafting knife, scissors, and folding saw to practice tree pruning and forest management.

400847

\$4

plant a tree

Fruit trees produce food during difficult times when other crops may fail. You can give a farmer a tree sapling to plant that will produce guava, papaya, mango, or citrus fruit. These trees also provide income, medicine, shade, soil restoration, natural compost, reforestation, and protection from the environment.

400512

\$15

teach a farmer to grow tree fruit

By growing tree fruit in addition to planting vegetables and raising animals, farmers can diversify their income to better support their family year-round. With training in fruit tree adaptation from World Renew, farm families can expand their crop production and the nutrition options in their community.

400877

\$8

trauma healing manual

This 16-lesson resource is offered in collaboration with the Trauma Healing Institute and used by trained facilitators to lead small groups in healing wounds of the heart. Your gift helps displaced people overcome violence, abuse, crime, and accidents. Offered in Hausa, English, and French languages.

400883

EDUCATION + LEARNING

\$200

adolescent peer training

Out-of-school teens often have little guidance or information about their human and reproductive rights. This peer-to-peer training prepares young people to identify the risks of early marriage, early pregnancy, STDs, HIV and AIDS, and encourages healthy relationships.

400463

\$3

family life abuse prevention booklet

This family life booklet is used by church leaders to lead discussions and teach biblical principles about good communication and loving relationships in families. Your gift helps to train pastors and women's leaders to address and prevent domestic violence.

400791

REDEEMER UNIVERSITY BOOKSTORE

Hamilton, Ontario

Last year the Redeemer University bookstore in Hamilton, Ontario, hosted a Christmas giving tree using the World Renew Gift Catalog. When a student, faculty member, or staff person bought a chicken or nutrition kit, the bookstore staff put an ornament on the tree, and gave the purchaser a pin.

"During Advent, we raised funds by selling 109 chickens and 30 nutrition kits," said the store manager, Kristel Forcier. "That's more than CAD \$1,156. Our goal was to make it easy for people to support World Renew and the life-changing work it does every day. I'm proud to say it worked, and there are plans to make the project even bigger next year."

ECONOMIC OPPORTUNITIES

\$67

savings box

Your gift of a savings box gives a women's group the chance to save, invest, and begin to thrive! Many families don't have enough money to save or to start a savings account. A savings box helps group members develop accountability as well as plan for emergencies, pay for medicine, or start a business.

400856

village savings + loan starter kit

\$78

Without access to banks or lending programs, people who live in poverty need ways to save and borrow money. A VSLA starter kit gives group members an opportunity to save money together, approve loans at reasonable interest, hold each other accountable, and build hope for a better future.

400886

\$6

record book for a new business owner

A log book for a small business owner who is starting with a small amount of capital helps them track their business activities. By recording income and expenses over time, owners can stay up-to-date on their finances and find ways to grow their business.

400881

\$100

a pond for raising fish

Help a farmer start to earn income from fish farming with the gift of a pond to raise fish. Ponds can vary in size and construction; they are earthen, concrete, or plastic depending on the location and the kind of fish raised. Your gift of a fish pond also provides training in business start-up and fish management.

400882

bee-keeper training

\$50

World Renew teaches farmers who own beehives strategic beekeeping techniques to help them succeed. We help train farmers in hive management, harvesting and storing honey, marketing, and business start-up. Your gift of beekeeper training helps families earn a steady income between harvests.

400793

\$35

beehive

Your gift of a beehive provides a farmer with honey year-round. A beehive also increases crop production for a whole community by pollinating fruits and vegetables for several miles around the hive. A beehive provides cash for basic necessities when the farmer sells the honey at a local market.

400792

\$52

bicycle for a child

Children in remote villages often live too far from a school to walk there, so they only complete a few years of basic education. Your gift of a bicycle for a child, especially girls, helps them attend school through grade 12. With a high school diploma, they have the skills to find work and earn a good income.

400880

MOBILITY

bicycle

A bicycle for an adult provides transportation for health and agriculture volunteers who travel rural roads and footpaths between communities. World Renew's trained volunteers visit homes and farms area-wide to teach families about good health and hygiene practices and growing nutritious food.

400351

\$105

\$165

wheelchair

Children who live where vaccines aren't readily available are susceptible to diseases like polio. You can give a person with disabilities a chance to live a more fulfilling life with the gift of mobility. A wheelchair provides access to education, work, dignity, and respect from their family and community.

400567

DEGROOT FAMILY

British Columbia

"Each year, my wife and I choose items for our five grandchildren from the World Renew gift catalog," said Dennis "Pake" DeGroot, a World Renew board member from British Columbia SE. "They all love coming over to the farm, so I make each of them cards using images from the catalog and our own barn. Their special cards include a note about their gifts. Last year, we gave the Whole Barnyard from World Renew!"
