# Giving Thanks

World Renew joins Free a Family® participants in giving thanks to God for the generosity that is helping families to journey away from hunger, poverty, and injustice.

*"God opened a door to blessings for my family! We are better physically, economically, and spiritually."*

Merlyn, in Honduras, has benefited from training in climate-smart agriculture and small business management.

*"Things could have been very terrible without this program. I am so grateful for the things they taught me."*

Kadzo, in Kenya, is grateful for COVID awareness training and the masks, detergent and soap she received to help protect her family's health.

*"Prior to 2018, we used to have one meal a day...We are now able to have three balanced meals every day."*

Joining a village savings and loan group helped Sandress and Loyce, in Zambia, become wise stewards of their money.
