

JESUS CHRIST IS BORN

AND THE WORD
became flesh, and dwelt
among us (and we beheld his
glory, glory as of the only
begotten from the Father),
full of grace and truth.

John 1:14

MAKE ROOM IN YOUR HEART

WE GIVE and receive gifts today in honor of the greatest gift, Jesus Christ, who was born and died to make a home for us with him forever. World Renew is compelled by this great love of God to join with communities around the world as they overcome hunger and poverty.

In a village in Malawi, Mose, 21, lived with his parents in a small, thatched hut that had seen better days. One night as they were sleeping, the termite-damaged roof fell in and the walls of the hut collapsed. Mose's pelvis was fractured in the crash.

But through World Renew's partner in Malawi, the church and community came together to help

the family cover their living and medical costs. They also rebuilt the family home so that it was safe and sturdy.

To help him toward long-term wellbeing, World Renew supported the church in providing Mose with a bicycle and a small business loan to sell cassava and mangos. Fully recovered from his injury, Mose now participates in church activities, and supports himself and his parents with income from his business. He also contributes generously to help others in his community who are in need.

Jesus made room for us by leaving his home to change our lives forever. Will you make a place in your heart for someone like Mose this Christmas? Through your gift to World Renew, you can help a person in crisis experience the loving care of their church community and make long-term changes in their life.

This Christmas, give the gift of real hope.

Give the Gift
of Hope this
Christmas
through the
World Renew
Gift Catalog.
