FILL THE Barnyard!

ARE YOU READY

to fill the barnyard with animals to help families who live in poverty around the world? Fill the Barnyard is a new, free giving project from World Renew that will engage your church, school, or group in sharing God's love with people who experience hunger, disaster, and oppression by giving them opportunities to improve their lives by increasing their income to better meet their needs. Here's how!

Instructions

Download the Fill the Barnyard animal cut-outs from the Gift Catalog section on worldrenew.net/resources.

Print the downloaded graphics on a sheet of 8.5x11" or 8.5x14" paper. Make as many copies as you think you will need for your project. You can always make additional copies later if you run short.

Cut out each animal for participants to choose, and color if needed, when they give. As they donate, participants tape or pin the graphic on the printable mural that you can download and print from worldrenew.net/resources. You can also create your own mural if you prefer.

If you'd like church members to give directly to World Renew on our website, you can copy and attach a QR code to scan on the back of each animal. Or use your church's donation page instead.
