ANIMAL RAISING

\$50

goat

Did you know that baby goats were called “kids” before children were? Maybe that’s because goat kids stand up soon after they’re born and can climb and jump at two weeks old! You can help human kids have nutritious milk to drink, healthy food to eat, and more income to buy necessities by giving a goat to a family that lives in poverty.

400353

\$3

chicken

Did you know that the color of a chicken’s eggs is generally the same as the color of their earlobes? Chickens with red earlobes lay brown eggs, and those with white earlobes lay white eggs. But no matter the color, all eggs are delicious and nutritious. With your gift of 1 chicken or a whole flock, a family in need can earn income year-round by starting a low-cost home business selling eggs.

400483

\$15

rooster

Eggs are a good source of protein for children and adults, and extra eggs can be sold for income to help families buy medicine or pay school tuition. To hatch baby chicks to grow a flock, a rooster is needed to fertilize the eggs. Your gift of a rooster helps families in need create positive change, and that’s something to crow about!

400867

\$10

chicken coop

Farmers know that it’s extra important to keep poultry clean and dry. In the tropics, the rainy season causes flooding that breeds diseases. A 2-by-5-foot chicken coop helps farmers control bacteria, parasites, and illnesses. Your gift of a chicken coop helps families earn more income from their hard work.

400869

\$62

friendship pack

Goats and chickens make great friends who love to hang out together. In fact, chickens peck around the goat pen looking for bugs to eat and fluff up their bedding! When you give a Friendship Pack to families in need, they can raise four chickens and a goat that help them earn more income.

400587

Edmonton, Alberta

Your story

When he retired, Sid Vander Meulen not only downsized his belongings, he also downsized his career – literally. Sid went from selling real estate to making and selling birdhouses!

“I call my birdhouse sales, *From Scraps to Goats*,” Sid said. He sells the birdhouses he makes from recycled lumber at farmer’s markets, craft sales, and his church, Bethel Christian Reformed Church in Edmonton, Alberta. He donates his proceeds to buying goats from World Renew’s Gift Catalog.

“I grew up with goats,” Sid said. “I was young during war, and goats provided milk when there was little else available. I dedicate my income from selling birdhouses to buying goats from the World Renew Gift Catalog because it gives me a goal in helping others who don’t have enough to eat.”

Sid said that sometimes he follows up in email with customers who buy a birdhouse. “I messaged a guy who bought a birdhouse and let him know he was halfway to purchasing a goat – so he bought two more birdhouses – and I gave him a gift catalog!” He added that the birdhouses and the goats he purchases from World Renew’s gift catalog are even more meaningful because “They’re gifts that last.”

\$160

pig

When a family receives a sow from World Renew, they can breed it and sell the piglets to other farmers who also raise them for income. The family who receives the sow gives a piglet from the first litter to help another family start a pig-raising business. Your gift of a pig benefits a whole community!

400452

\$40

piglet

Raising a piglet helps a person with few job opportunities earn much-needed income. Piglets grow fast and can be sold for a profit in just a few months. When they’re born, piglets weigh a few pounds and in six months, with good food and care, they average 250 pounds. The gift of one small piglet can be the start of something big!

400870

1 RABBIT

\$5

3 RABBITS

\$15

rabbits

Have you ever seen a rabbit “binky?” It’s when they hop, twist, and kick their feet in the air with happiness! Raising rabbits helps farmers earn a steady income quickly because rabbits can birth four litters of babies a year. Give one rabbit, or give three rabbits, to help a farmer get a quick start in raising rabbits. Then “binky” with happiness!

400487

\$11

duck

Duck eggs are larger than the eggs that chickens lay, and they provide a farm family with good protein for better health. In fact, some duck eggs weigh more than the mother duck! Raising ducks helps families earn income all year. The profit they make from selling extra eggs can be used to buy necessary items like soap or shoes. Ducks make egg-cellent gifts!

400574

\$155

goats & quackers

Goats & Quackers is five ducks and two goats that can provide meat, eggs, milk, and income for the farmers who raise them. When you give Goats & Quackers, you help families around the world earn income to sustain them during “the hungry time,” just before harvest, when food is scarce and costs more. 5 ducks + 2 goats = a life-changing gift for a family!

400588

\$27

A MONTH

\$324

A YEAR

free a family®

For less than \$1 a day, you can help a family overcome poverty. Through World Renew programs in their communities, people learn skills in leadership, agriculture, health, nutrition, literacy, and much more. The result is more nutritious food, clean water, better health and enough income for families and their communities.

Here's how:

Go to page 31 and check the monthly or annual giving box next to “Free A Family” on the order form. We will send you a sign-up brochure and welcome packet.

Starting with your first recurring gift of \$27 or more to Free A Family, you give automatically by credit card or sign up to give through a bank account. You can also make your gift by check.

400178

HEALTH *and* NUTRITION

\$82

first 1,000 days

Pregnant women and newborn babies need special care to stay healthy, but poor families often can't get to a doctor or clinic. Give a family in a remote community home visits and training from a skilled health volunteer who advises parents and monitors children's growth each month from conception to 2 years old – the first 1,000 days of life. Help a new mom and her baby with the gift of good health.

400603

\$25

kitchen garden kit

Growing nutritious food at home gives families who live in poverty access to fresh produce with less cost. Your gift of a kitchen garden provides a family with 5 growing sacks and 5 seed packets to grow nutritious vegetables for better health and wellness overall. Kitchen gardens are a gift that keeps growing!

400605

\$25 | \$50 | \$100

where needed most

Finding just the right gift can be overwhelming. This gift is a simple and effective way to make sure your donation does the most good. When you choose to give "where needed most," World Renew then directs your gift to families and communities who need it the most.

100006

\$19

nutrition kit for children

Children who don't eat well don't grow well, and families who live in poverty often can't access enough nutritious food to eat daily. Your gift of a nutrition kit supplements a child's diet to ensure that they get the vitamins, protein, and medicine they need to help them grow and maintain good health for a long, productive life.

WATER and HYGIENE

\$90

family-sized water filter

Water is essential for life. When people don't have access to clean water nearby, they must walk, gather, and carry water home, one or more times a day, just to survive. Your gift of a family-sized water filter provides safe, clean water at home. Help families avoid water-borne illnesses, plus, give them the gift more time together – and better health!

400465

\$100

latrine

Most of the world's people, 4.5 billion, don't have access to a safe, clean, private toilet. When you give a family or community a latrine, you provide building materials and training from World Renew in sanitation and hygiene. Your gift will help prevent the spread of disease and save people's lives. Give this practical but meaningful gift today!

400509

\$25

handwashing station

Help families tap into good health with a handwashing station. This simple, foot-powered tool encourages handwashing and helps stop the spread of germs and disease. It also includes hygiene training through World Renew. Add 10 bars of soap (right) to help a child wash up regularly throughout the year!

400798

\$5

10 bars of soap

When you give a child ten bars of soap, they can wash before school each day throughout the year. Your gift will improve their health and keep them from spreading colds, flu, and other germs at school. Give a child a year of cleanliness, along with instruction in the health benefits of handwashing and hygiene. Good health is in everyone's hands!

400873

International DISASTER RESPONSE

\$290

clean water in an emergency

The people who are most affected by a global disaster need urgent access to clean drinking water. With your gift of clean water in an emergency, World Renew can provide water purification tablets, water filters, and water storage units that help prevent the spread of diseases like typhoid and dysentery among displaced people in temporary shelters.

210162

\$60

emergency food for a month

When a disaster strikes, World Renew's International Disaster Response team provides emergency food and other staples. You can give a family that has experienced a natural disaster or conflict a life-saving package of food. Your gift includes a four-week supply of beans, rice, cooking oil, and other staples to feed a family in urgent need.

210102

Your story

"We filled a barnyard with animals," said Andrea Van Kooten, Calvary's special offerings treasurer. "We made a farm mural and small paper animals that we laminated with a QR code on the back. People taped an animal to the mural when they donated cash, by check, or on our online giving page."

In all, the congregation gave more than 120 animals from the World Renew gift catalog, a whole barnyard, and agriculture training for farmers totaling over \$8,000!

"The project was a fun giving experience for both adults and children at Calvary because everyone got involved," Van Kooten said. "And we know that World Renew will use our gifts to serve people around the globe."

Great Giving Guide

\$255

the herd

When you give the herd, you give one of each animal in the catalog: **a goat, a pig, a piglet, and a rabbit.** These animals help families raise more food, eat nutritiously, and earn more income. Your gift includes learning that goes with a person for the rest of their lives: training in giving vaccinations and animal-raising, and instructions for growing forage crops so that farmers have good chances for success.

400570

\$1,700

mobile library

Families who live in rural areas usually don't have a school or library nearby. Your gift of a motorbike and trailer can bring the joy of reading to many people who may not have other opportunities to practice their skills. Give students of all ages a chance to develop a love of learning by giving a bookmobile that brings resources to remote locations!

400800

\$75

children's books for a mobile library

Give the gift of learning by packing a mobile library with books for children! Fill a trailer with fun learning materials to help students build reading habits that will influence their learning journey all through their lives. Parents, grandparents, and whole families can spend time learning, improve their skills, and develop a love of books.

400885

\$2,515

the whole barnyard

You can fill the whole barnyard with this gift that includes **10 goats, 8 pigs, 4 piglets, 25 ducks, 15 rabbits, 50 chickens, 5 roosters,** and **farmer training** in how to raise them. Healthy, happy animals provided by World Renew help families with enough food, better nutrition, a stable income, and hope for tomorrow!

400491

\$3,290

the best seller bundle

We put together a few of your favorite things into one big bunch of goodness called the Best Seller Bundle. These are the top 10 most-loved gifts that can bring families who live in poverty opportunities for better health and hygiene, more food and income, and well-being with hope.

400467

\$284

the farm team

The Farm Team is up to bat! This gift contains one of each animal and bird in this catalog. The **goat, pig, piglet, rabbit, duck, rooster, and chicken** all made the team! You can provide families around the world with more food, milk, eggs, and income to feed and support themselves as they work together to leave poverty behind.

400468

\$50

clean up after a disaster

Natural disasters like floods, fires, or hurricanes can damage homes and communities across the U.S. and Canada. World Renew's Disaster Response Services (DRS) volunteers help low-income homeowners repair and rebuild their houses by providing volunteer labor, shoveling mud, removing mold, and more, so families can return to dry, safe homes and begin to rebuild their lives again.

310003

DISASTER RESPONSE SERVICES *in North America*

\$25

small tools

World Renew's disaster response volunteers need safe, reliable tools to help homeowners in the U.S. and Canada recover from a natural disaster. Your gift can include hand and power tools such as drills, saws, hammers, nail guns, tape measures, and paintbrushes to complete home repairs and rebuilding.

310059

GROWING FOOD

tools for farming

A simple hand tool helps a farmer get the field work done. Green manure is a natural compost that enriches the soil, a jab planter is a tool to sow seeds, and a loop hoe is for weeding and turning the soil. When you give 1, 2, or all 3 tools for farming, a family can grow enough food to eat every day, sell extra produce to pay for essentials, and improve their diet and nutrition.

GREEN MANURE	400805	\$20
LOOP HOE	400807	\$10
JAB PLANTER	400806	\$50

\$4

plant a tree

Fruit trees produce food during difficult growing seasons when other crops may fail. When you give a farmer a tree sapling to plant, they can grow guavas, papayas, mangos, or citrus fruits that provide them with food, income, and shade protection. Help families grow good health with the gift of fruit trees!

400512

\$200

agriculture training

Farmers who learn new, sustainable agriculture methods can grow more food while protecting precious resources like water and soil. When you give a farmer's group training in agriculture from World Renew, they will learn climate-smart growing methods like soil conservation, composting, permaculture practices, low-till techniques, and receive hand tools and improved seeds. Your gift will help a farmer grow more food to eat and sell.

400497

\$250

farmer field school (FFS) starter pack

A Farmer Field School (FFS) Starter Pack from World Renew has all a community needs to launch a group of farmers into earning more income. Your gift includes a half-acre of land for vegetable trials and model farming, gloves, boots, and hand tools to work the soil as well as seeds, bio-herbicides, and training in agriculture and crop storage methods to equip farmers for success.

400796

\$95

greenhouse or shade net

In tropical climates, the sun's rays are harsh and can quickly wilt tender plants. Your gift of a shade net or greenhouse protects farmer's crops from heat stress, helps increase production, and results in better prices at the market. Greenhouses or shade nets also protect crops from insects and birds.

400876

\$140

direct seeder

When farmers consistently grow crops on the same land, the soil can become less fertile and stop producing over time. A direct seeder helps farmers build soil fertility by planting seeds with less tilling. When you give a direct seeder, you help 3 to 5 village farmers implement sustainable agriculture methods to grow more food for better nutrition and gain better income from their crops.

400874

\$10

variety seed packet

Traditional foods like rice and corn provide calories, but a more nutritious diet is needed for long-term good health. Your gift of a packet of vegetable seeds provides a family with spinach, beans, carrots, tomatoes, and other fresh produce with the nutrients they need for a longer, healthier life. Just a handful of seeds can help families grow their way to a better, healthier life.

400854

EDUCATION *and* LEARNING

\$200

adolescent peer training

Out-of-school teens living in poor communities often have little support or guidance in learning about their human and reproductive rights. Your gift of peer-to-peer training from World Renew helps young people understand the risks of early marriage, early pregnancy, STDs, HIV and AIDS, and encourages healthy relationships. Help vulnerable teenagers start their journey into adulthood with hope.

400463

\$8

trauma healing manual

Your gift of a 16-lesson workbook, provided by World Renew in collaboration with the Trauma Healing Institute, will be used in a small group setting, led by a trained facilitator, to help heal wounds of the heart caused by violence, abuse, crime, and accidents. Offered in Hausa, English, and French.

400883

\$125

bible study data bundle

Equip a church group with a weekly study course that they can download to their cell phones. Your gift of a Bible study data bundle teaches church members about loving those who are vulnerable and oppressed, and inspires them to reach out to their neighbors. Includes initial meeting, enrollment, app, and data.

400884

\$52

bicycle for a child

Children in remote villages often live too far from school to walk, so most students only complete a few years of elementary school. Your gift of a child's bicycle, for girls especially, helps equip them to finish school. With a high school diploma, young people will have the skills they need to succeed in life. Help kids get on the path to a better future!

400880

ECONOMIC OPPORTUNITIES

\$35

beehive

When a farmer adds beekeeping to their growing activities, they have a stable source of year-round income from selling honey—and they increase crop production. In fact, bees pollinate plants and flowers for 3 miles around the hive, so farmers across the community benefit! Your gift of a beehive provides nutritious honey for a farm family, cash for basic needs, and more crops. What a sweet gift!

400792

\$50

beekeeper training

World Renew trains farmers who are starting a home-based business in beekeeping. Farmers learn hive management, harvesting and storing honey, marketing, and managing a business start-up. Your gift of beekeeper training helps families earn a steady income between harvests, so they can afford food to eat year-round. Help farmers make a new buzz!

400793

\$78

village savings and loan starter kit

Most people who live in poverty don't have access to banking services or qualify to open a bank account. Your gift of a Village Savings and Loan (VSL) Starter Kit equips a community to set up and manage a pooled savings account, get loans at reasonable interest rates, and improve their lives and businesses. Includes a secure savings box, record books, and training for the group.

400886

\$100

a pond for raising fish

Equip a family with a pond for raising fish so they can eat for a lifetime. You will be giving enough materials to build an earthen, concrete, or plastic pond, depending on the location and the kind of fish being raised. Your gift will also include training in fish-raising management and starting a new business.

400882

MOBILITY

\$105

bicycle

Your gift of a bicycle provides transportation for a local volunteer, trained in World Renew health and agriculture programs, who travels long distances between communities to help their neighbors. Your gift helps volunteers visit more homes and farms to teach families about their vital health and food security needs.

400351

\$165

wheelchair

You can give a person living with a disability a chance to live a fulfilling, productive life with the gift of mobility. A wheelchair improves daily life and gives a person access to education and work, along with dignity, and respect from their family and community.
