Independent Auditor's Report

The Board of Directors World Renew Grand Rapids, Michigan

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Word Renew (the Organization), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses, changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

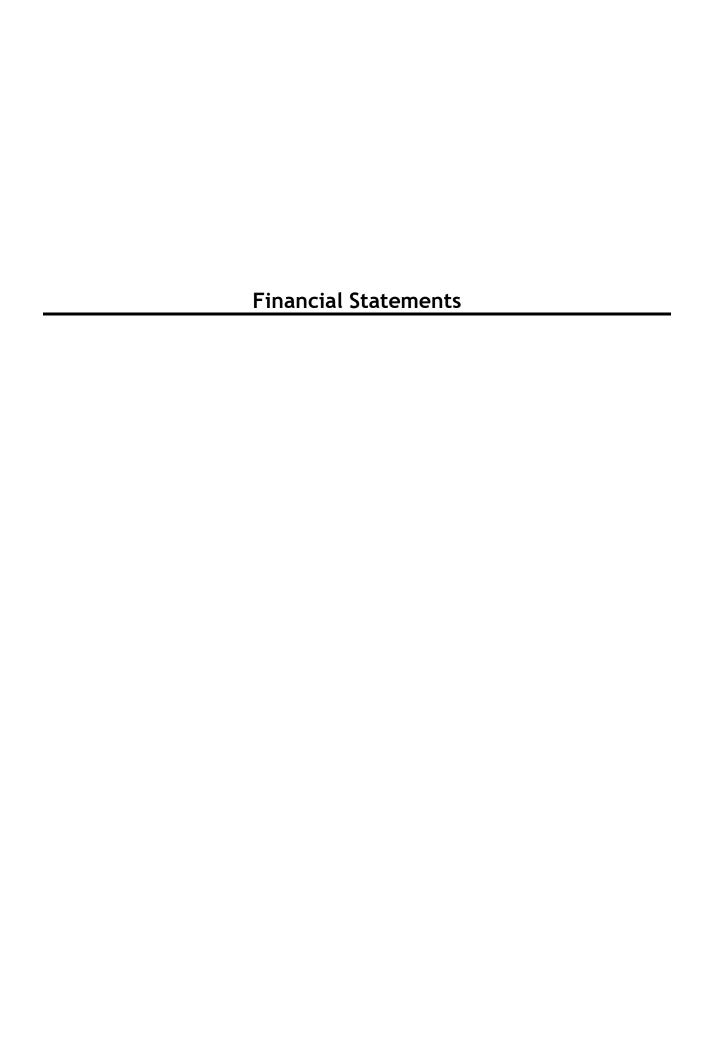

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of the Organization's internal control.
 Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

BDO USA, P.C.

Notes to Financial Statements

1. Organization

World Renew (the Organization), a Michigan nonprofit corporation, operates under the direction of the Synod of the Christian Reformed Church. The purpose of the Organization is to provide technical and rehabilitation assistance, as well as disaster relief, on a worldwide basis.

The Organization's program services are described as follows:

- Overseas Development The Organization works overseas on community development by training people in agriculture, health, income earnings, literacy, small business development, and leadership skills in order to transform communities and improve lives. This is accomplished, in large part, through mentoring local non-government organizations in under-served communities.
- Disaster Programs The Organization provides disaster survivors with assistance. Overseas relief focuses on food, medicine, and other material aid. Domestic relief efforts focus on either granting funds to long-term recovery organizations or facilitating volunteer teams in order to conduct clean-up, needs assessment, and home reconstruction/repair to communities in disaster areas.
- Education and Justice The Organization educates constituency and provides opportunities, through work groups and volunteer positions, for people to serve in North America and overseas in community development.

2. Summary of Significant Accounting Policies

Basis of Presentation

Revenues and contributions are reported as follows:

- Revenues are reported as increases in net assets without donor restrictions, unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions, unless their use is restricted by explicit donor stipulation. Expirations of net assets with donor restrictions (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets. Contributions with donor-imposed restrictions where the restrictions are met in the same year as the contribution is received are reported as revenues without donor restrictions.
- Contributions, including unconditional promises to give, are recognized as revenues in the period received. Conditional promises to give are not recognized until they become unconditional; that is, when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value.

During the fiscal years ended June 30, 2024 and 2023, \$2,283,215 and \$2,197,351, respectively, was released from designation and moved to operating net assets without donor restrictions.

Notes to Financial Statements

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect amounts reported therein. Due to the inherent uncertainty involved in making estimates, actual results reported in future periods may differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand and estimated highly liquid financial instruments with original maturities of less than three months when purchased.

Concentrations of Credit Risk

Financial instruments that potentially subject the Organization to concentrations of credit risk consist of cash and cash equivalents. The Organization places its cash and cash equivalents with high-credit, qualified institutions. At times, the amount of cash and cash equivalents may be in excess of the respective institutions' insurance limits. The Organization has not experienced any losses in such accounts, and management believes the Organization is not exposed to any unusual credit risk on cash and cash equivalents.

Investments

Investments are carried at fair value, as determined by quoted market prices and other measurement inputs. See Notes 5 and 6 for additional disclosures on investments.

Field Advances

Field advances represent holdings of overseas offices for use of current and future programs consisting of reconciled overseas bank accounts; petty cash holdings; staff advances; prepaid assets; liabilities; and, in certain offices, emergency evacuation funds.

Pledges and Grants Receivable

Pledges and grants receivable consist of unconditional promises to give and are recorded in the year the promise is made. Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows.

The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of the discount is included in contribution revenue. The interest rate used in computing the discount of the estimated future cash flows was 9.32% for pledges received in 2024. The discount was recognized as contributions revenue in 2024. An allowance for uncollectible contributions receivable is provided based on management's judgment, including such factors as prior collection history, subsequent collections, type of contribution, and nature of fundraising activity. Conditional promises to give are not included as revenue until the conditions are substantially met.

Notes to Financial Statements

Property, Equipment, and Depreciation

Property and equipment are carried at cost less accumulated depreciation. Property and equipment purchases of \$5,000 or more are capitalized and depreciated using the straight-line method over the estimated useful lives of the assets, which range from two to 40 years. Property and equipment, for use in international fields, are expensed at the time of purchase.

Net Assets

Net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions

Net assets without donor restrictions are available for use at the discretion of the board of trustees (the Board) and/or management for general operating purposes. From time to time, the Board designates a portion of these net assets for specific purposes, which make them unavailable for use at management's discretion. The Board has designated a portion of net assets without donor restrictions as a quasi-term-endowment (an amount to be treated by management as if it were part of the donor-restricted term-endowment) for the purpose of securing the Organization's long-term financial viability. See Note 16 for further details.

Net Assets with Donor Restrictions

Net assets with donor restrictions consist of assets whose use is limited by donor-imposed, time, and/or purpose restrictions. The Organization reports gifts of cash and other assets as revenue with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires—that is, when a stipulated time restriction ends, or a purpose restriction is accomplished—the net assets are reclassified as net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. See Notes 17 and 18 for further details.

Donated Services

Donated services are reflected in the statements of activities to the extent that they are in accordance with GAAP. Skilled volunteer service hours of 28,638 and 29,662 were contributed to the Organization and recorded in the statements of activities in the amount of \$959,081 and \$913,582 as revenues and expenses during the years ended June 30, 2024 and 2023, respectively. The skills provided include management, construction trades, and accounting. Certain other donated services are not reflected in the financial statements inasmuch as these services do not create or enhance nonfinancial assets or require specialized skills. Volunteer service hours of approximately 64,800 and 63,700 were contributed to the Organization, but not reflected in the financial statements, during the years ended June 30, 2024 and 2023, respectively, by approximately 1,027 and 1,039 individuals.

Donated Materials

Donated materials are recorded in the financial statements when such donations are significant and meet the criteria of the Financial Accounting Standards Board (FASB) standard previously mentioned.

Notes to Financial Statements

Grants from Others

Grants from others are recorded as deferred revenue upon receipt of advances. Grant revenues are recognized as related expenses are incurred.

Cost Allocation Plan

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs incurred for the joint purpose of educating constituents and soliciting financial support have been allocated according to the amount the program and support services benefited. For the 2024 and 2023 fiscal years, respectively, these joint costs totaled \$2,104,536 and \$1,640,230, with an allocation of \$1,052,268 and \$820,115 to fundraising and an allocation of \$1,052,268 and \$820,115 to education and justice.

In July 2023, the Organization started their implementation enterprise resource planning software (ERP). This implementation work continued through the entire fiscal year ended June 30, 2024. The new system strengthens programing through timely collection of shared transactional data from multiple sources. Program staff can utilize this new system to manage business activities, including accounting, procurement, project management, risk management, and budget planning. The U.S. finance team spent considerable time and effort during the 2023 and 2024 fiscal years implementing the new structure and continues to spend significant time assisting overseas staff with their implementation. The total 2024 fiscal year costs of the finance department were \$983,349, of which 40% (\$393,340) was allocated to overseas development and the remaining 60% (\$590,009) to management and general in recognition of this ERP implementation. The total 2023 fiscal year costs of the finance department were \$953,411, of which 40% (\$381,365) was allocated to overseas development and the remaining 60% (\$572,046) to management and general.

Investment Return, Net

Investment return, net, consists of realized and unrealized gains and losses, interest and dividends, the change in the present value of annuities payable, and investment expenses.

Functional Allocation of Expenses

The statements of functional expenses present expenses by function and natural classification. Expenses directly attributable to a specific functional area of the Organization are reported as expenses of those functional areas. A portion of general and administrative costs that benefit multiple functional areas (indirect costs) have been allocated across programs and other support services based on the proportion of full-time employee equivalents of a program or other support service, versus the total organizational full-time employee equivalents.

Income Taxes

The Organization is exempt from federal income taxes due to its status as a not-for-profit corporation under Internal Revenue Code Section 501(c)(3), and contributions are deductible for federal income tax purposes. The Organization is not aware of any material uncertain tax positions.

Notes to Financial Statements

Subsequent Events

Management has evaluated subsequent events through December 18, 2024, the date the financial statements were available to be issued. Based on evaluation, there were no matters identified that had a significant impact on the financial statements presented.

3. Liquidity

The Organization's financial assets available within one year of the statement of financial position date for general expenditures are as follows:

June 30,	2024	2023
Cash and cash equivalents - without donor restrictions Investments, without donor restrictions Other investments - without donor restrictions Field advances Pledges and grants receivable Interest and other receivables	\$ 868,910 10,186,619 - 1,018,865 1,237,715 91,690	\$ 5,365,194 10,049,890 5,758 461,552 1,576,284 114,203
Total Financial Assets Available Within One Year	13,403,799	17,572,881
Less: Amounts unavailable for general expenditures within one year, due to: Portion of pledges and grants receivable not expected to be received within one year Amounts unavailable to management without Board approval:	(158,201)	(937,370)
Investments Board-designated for Joseph Fund Pledges and grants receivable	(7,789,088) (31,740)	(8,369,028)
Total Financial Assets Available to Management for General Expenditures Within One Year	\$ 5,424,770	\$ 8,266,483

Pledges and grants receivable in the table above only include the amounts without donor restrictions to be received within one year of the statement of financial position date.

The assets above do not include Board-designated funds, as discussed in Note 15. While the Organization does not intend to spend these for a purpose other than determined by the Board, the funds could be made available for current operations, if necessary.

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

Notes to Financial Statements

4. Property and Equipment

A summary of property and equipment is as follows:

June 30,	2024	2023
Land Buildings and improvements Vehicles and equipment	\$ 284,600 4,988,222 1,149,259	\$ 284,600 4,814,082 1,105,368
Total	\$ 6,422,081	\$ 6,204,050

Depreciation expense was \$362,701 and \$310,803 for the years ended June 30, 2024 and 2023, respectively.

5. Investments

Investment Risk

The Organization invests in various securities, including government bonds, corporate bonds, equity funds, money market funds, and other debt instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the statements of financial position.

Investments are summarized as follows:

June 30,	2024	2023
Investments held by World Renew: Fixed-income portfolio Balanced portfolio Cash equivalents	\$ 5,843,611 8,755,431 306	\$ 7,353,934 12,069,842 291
Total Investments	\$ 14,599,348	\$ 19,424,067
Other Investments	\$ -	\$ 5,758

Investments are carried at fair value. Fair value is determined by closing market prices at fiscal year-end. Unrealized appreciation and depreciation of investments held at fair value as of the fiscal year-end are determined using the beginning of the fiscal year market value or purchase price, if acquired since that date. Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis.

Total investment income of approximately \$2,265,000 and \$1,872,000 for the years ended June 30, 2024 and 2023, respectively, represented reinvested investment and dividend income of approximately \$594,800 and \$411,400, net of unrealized gain of approximately \$1,808,700 and \$1,440,100, respectively, and realized investment gain (loss) of \$(138,500) and \$20,500, respectively.

Notes to Financial Statements

6. Fair Value Measurements

In accordance with the FASB standard relating to fair value measurements, the Organization classifies its investments and annuities payable into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities and annuities not traded on an active market, but for which observable market inputs are readily available; and Level 3, which refers to securities and other investments valued based on significant unobservable inputs. The valuation technique utilized by the Organization for its Level 2 investments is the market approach, which uses prices and other relevant information generated by market transactions involving identical or comparable assets. Annuities payable are valued at present value. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

The following tables set forth by level, within the fair value hierarchy, a summary of the Organization's investments and annuities payable measured at fair value on a recurring basis:

June 30, 2024

Julie 30, 202 4				
	Level 1	Level 2	Level 3	Total
Investments	\$ 10,064,217	\$ 4,535,131	\$ -	\$ 14,599,348
Investments, at fair value	\$ 10,064,217	\$ 4,535,131	\$ -	\$ 14,599,348
Annuities Payable	\$ -	\$ 82,284	\$ -	\$ 82,284
June 30, 2023				
	Level 1	Level 2	Level 3	Total
Investments Other investments	\$ 18,000,139	\$ 1,423,928	\$ - 5,758	\$ 19,424,067 5,758
Investments, at fair value	\$ 18,000,139	\$ 1,423,928	\$ 5,758	\$ 19,429,825
Annuities Payable	\$ -	\$ 85,282	\$ -	\$ 85,282

The change in the Organization's Level 3 investment was due to a net realized loss of \$5,758 and \$988 for the years ended June 30, 2024 and 2023, respectively.

7. Pledges and Grants Receivable

Pledges and grants receivable consist of the following unconditional promises to give:

June 30,	2024	2023
Amount due in less than one year Amount due in one to five years	\$ 2,337,261 \$ 394,642	1,683,397 276,320
Total Pledges and Grants Receivable	2,731,903	1,959,717
Less: discount	(74,987)	(27,618)
Total	\$ 2,656,916 \$	1,932,099

Notes to Financial Statements

8. Line of Credit

The Organization has available borrowings under a revolving bank line-of-credit agreement. The agreement provides for borrowings of up to \$3,000,000 at June 30, 2024 and 2023, respectively. Interest on borrowings is payable monthly at 3.00% above the Secured Overnight Financing Rate (SOFR) (effectively 9.32% and 5.31% at June 30, 2024 and 2023, respectively). The line of credit is secured by the Organization's cash holdings at the lending bank. The agreement matures on October 24, 2024 and was not renewed. There was \$1,758,749 and \$2,429,500 outstanding as of June 30, 2024 and 2023, respectively. The line of credit subjects the Organization to certain covenants, with which the Organization was in compliance as of June 30, 2024.

9. Annuities Payable

Donors have transferred assets to the Organization in exchange for the right to receive a predetermined return during their lifetime (an annuity). A portion of the transfer is considered to be a charitable contribution for income tax purposes. Upon receipt of the transfer, the Organization records a liability for the annuity payable at the present value of future payments based on life expectancy and the midterm federal rate for U.S. Treasury bills for the month the contract is written with the same maturity as the average life expectancy of the annuitants. The difference between the liability recognized for the annuity and the amount of the transfer is recognized as unrestricted contribution income at the date of the gift, unless the gift portion is restricted. Annuity payments are charged against the liability, which, at the end of each fiscal year, is adjusted to the present value of future payments based on life expectancy—utilizing the Internal Revenue Service (IRS) life expectancy tables for males and females—and the interest rate commensurate with the remaining expected term of the contract (3.8% to 8.0% and 3.8% to 8.0% at June 30, 2024 and 2023, respectively). The resulting adjustment is netted against investment return in the statements of activities.

10. Conditional Support

The Organization has been identified as the primary beneficiary of charitable gift annuities that donors have entered into with the Barnabas Foundation. These are considered conditional contributions, as the Organization receives no funds until the donor's death. The total amount of these conditional contributions was approximately \$728,023 and \$686,100 at June 30, 2024 and 2023, respectively. Conditional promises to give are not recognized as revenue until they become unconditional—that is, when the conditions on which they depend are substantially met.

11. Due to World Renew in Canada

Disaster programs, overseas development projects, management and general expenses, and certain fundraising costs are funded jointly by the Organization and World Renew in Canada. Payable to or receivables from World Renew in Canada result depending on the original funding source of these shared costs. The amount due to World Renew in Canada was approximately \$(1,624,000) and \$(2,168,000) for the years ended June 30, 2024 and 2023, respectively.

12. Employee Retirement Plan

The Organization contributes to the Christian Reformed Church Employees' Savings Plan, a defined contribution retirement plan for the benefit of covered employees. The Organization's obligation

Notes to Financial Statements

to the plan is limited to a matching contribution of up to 4% of eligible wages, with employer discretionary contributions equaling 6% of eligible wages of qualified employees for the years ended June 30, 2024 and 2023.

Retirement plan contribution expense for the years ended June 30, 2024 and 2023 amounted to approximately \$552,100 and \$523,000, respectively, for the plan.

13. Transactions with Other Christian Reformed Church Agencies

Transactions with Other Christian Reformed Church Agencies

The Organization incurred charges of approximately \$357,200 and \$469,900 in 2024 and 2023, respectively, for administrative support, copying, mailing, and other services. The Organization made grants to or paid project expenses on behalf of other Christian Reformed Church entitles totaling approximately \$25,000 and \$32,500 in 2024 and 2023, respectively.

Amount Due from (to) Other Christian Reformed Church Agencies and Borrowing Agreement

The Organization's amount due from (to) other Christian Reformed Church agencies was approximately \$68,423 and \$(89,500) at June 30, 2024 and 2023, respectively.

14. Term Endowments

The Organization has established two term endowment funds in order to apply certain types of financial support received against the Organization's financial operations over an extended period of time.

The first of these term endowments, called the Joseph Fund, consists of both Board-designated funds, representing unrestricted estate monies received, and donor-restricted funds—charitable contributions donors have stipulated for the Joseph Fund. In the first year, 10% of the Joseph Fund's monies received are released to operations. Then, 15% is released to the Organization's operations for each of the subsequent six years.

The second of these term endowments, called the Village Savings and Loan Fund, consists of donor-restricted funds—charitable contributions donors have stipulated for the Village Savings and Loan Fund. These funds are included within the overseas development category of restricted net assets. In the first year and subsequent 14 years, approximately 6.67% is released to operations meeting certain program criteria.

As required by GAAP, net assets associated with these term endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Notes to Financial Statements

In the fiscal years ended June 30, 2024 and 2023, the Organization had the following changes in Board-designated and donor-restricted term endowments:

	illage Savings nd Loan Fund with Donor Restrictions	Boa	Joseph Fund rd-Designated	Joseph Fund with Donor Restrictions
Balance, July 1, 2022 Gifts received and adjustments Releases	\$ 149,223 1,000 (26,224)	\$	6,617,589 3,948,790 (2,197,351)	\$ 207,965 25,000 (62,153)

15. Beneficial Interest in Assets Held by the Barnabas Foundation

The Organization has a beneficial interest in the net assets of the Barnabas Foundation related to trusts that donors have established at the Barnabas Foundation that designate the Organization as the primary beneficiary. This beneficial interest is adjusted annually to reflect the changes in the net assets of these trusts and amounts transferred to the Organization during the reporting period.

The total changes in beneficial interest in the net assets of the Barnabas Foundation are summarized as follows:

Year ended June 30,	2024	2023
Beginning Balance	\$ 5,765,814	\$ 4,773,187
Change in beneficial interest in the net assets held by the		
Barnabas Foundation before contributions	385,125	350,498
Contributions from donors to the beneficial interest	-	1,500,000
Distributions to the Organization	(1,265,367)	(857,871)
Ending Balance	\$ 4,885,572	\$ 5,765,814

16. Net Assets Without Donor Restrictions

The Organization's net assets without donor restrictions are comprised of undesignated and Board-designated amounts for the following purposes:

June 30,	2024	2023
Net Assets Without Donor Restrictions		
Undesignated (operating)	\$ 6,588,302	\$ 9,176,051
Board-designated for Joseph Fund	7,820,828	8,369,028
Total Net Assets Without Donor Restrictions	\$ 14,409,130	\$ 17,545,079

Notes to Financial Statements

The Board-designated Joseph Fund represents estate monies without donor restrictions received each year. In the first year, 10% of the Joseph Fund's monies received are released to operations. Then, 15% is released to the Organization's operations for each of the subsequent six years.

17. Net Assets with Donor Restrictions

Net assets with donor restrictions are restricted for the following purposes or periods:

June 30,	2024	2023
Overseas development	\$ 7,957,391	\$ 8,369,270
Disaster programs	5,470,995	6,896,042
Education and justice	88,012	59,682
Joseph Fund	142,923	170,812
Total Net Assets with Donor Restrictions	\$ 13,659,321	\$ 15,495,806

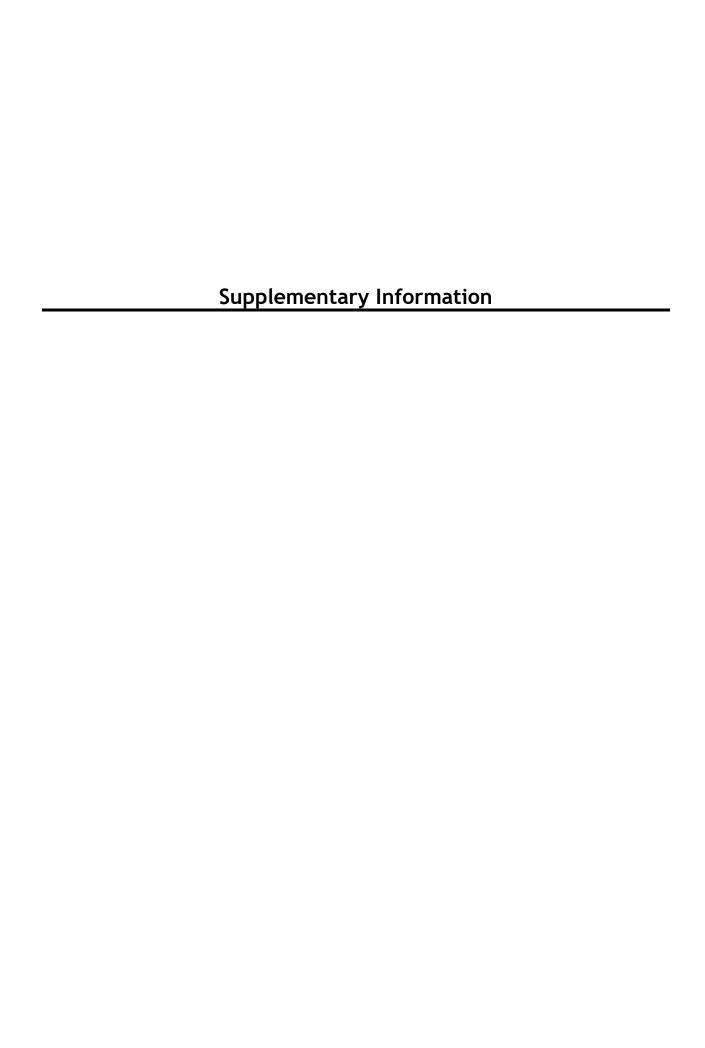

The various purposes of the above donor-restricted amounts are as follows:

- Overseas Development Community development is provided by training people in agriculture, health, income earnings, literacy, small business development, and leadership skills in order to transform communities and improve lives. This is accomplished, in large part, through mentoring local non-government organizations in under-served communities.
- Disaster Programs These programs provide disaster survivors with assistance. Overseas relief
 focuses on food, medicine, and other material aid. Domestic relief efforts focus on either
 granting funds to long-term recovery organizations or facilitating volunteer teams in order
 to conduct clean-up, needs assessment, and home reconstruction/repair to communities in
 disaster areas.
- Education and Justice The Organization educates constituency and provides opportunities, through work groups and volunteer positions, for people to serve in North America and overseas in community development.
- Joseph Fund These assets consist of the charitable contributions donors have stipulated for the Joseph Fund. In the first year, 10% of the Joseph Fund's monies received are released to operations. Then, 15% is released to the Organization's operations for each of the subsequent six years.

18. Net Assets Released from Donor Restrictions

Net assets were released from donor restrictions by incurring expenses, satisfying the restricted purposes, or by occurrence of the passage of time or other events specified by donors. The net assets released from restrictions are as follows:

Year ended June 30,	2024	2023
Overseas development	\$ 2,628,439	\$ 2,534,357
Disaster programs	2,310,255	3,427,427
Education and justice	791,411	47,298
Joseph Fund	62,889	62,153
Net Assets Released from Restrictions	\$ 5,792,994	\$ 6,071,235

Independent Auditor's Report on Supplementary Information

Our audits of the financial statements included in the preceding section of this report were conducted for the purpose of forming an opinion on those statements taken as a whole. The supplementary information presented in the following section of this report is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements, and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and to other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.
