Help World Renew Respond to the Foreign Aid Freeze

World Renew is working to stand in the gap from a recent USAID funding freeze. Many of our global partners are feeling the effects, as well as families and communities in the areas where we work. World Renew country office teams are helping assess the impact and determining how we can best serve those who need critical care and services. Together with your gifts, we can provide short-term emergency aid and continue to show God's mercy to people facing hunger, disaster, and conflict. Please join us in prayer and donate to our rapid response fund by visiting worldrenew.net/IDR-Foreign-Aid-Freeze-Response or calling 1-800-552-7972.
