HUNGER FOR

GOOD

“BLESSED ARE THOSE WHO HUNGER
AND THIRST FOR RIGHTEOUSNESS,
FOR THEY WILL BE SATISFIED.”

MATTHEW 5:6

WE CAN CHANGE THE STORY OF HUNGER FOR GOOD.

Right now, global hunger continues to rise, fueled by conflict, economic instability, and extreme weather. Food systems are still recovering from the pandemic, while droughts and erratic conditions disrupt crops worldwide. These crises have real impacts on vulnerable families around the world.

Globally, over 900 million people do not have enough to eat, with many living on the brink of starvation—all because they cannot access enough healthy food.

In a world of plenty, we often ask ourselves why the injustice of hunger exists. But as people of God, we know that justice will prevail—often through the actions of God's

people. To “hunger and thirst for righteousness” means to align our hearts with God and his compassionate love for those who are hungry. It also means we are called to act—by giving generously, sharing our prayers, and advocating for the most vulnerable.

Today, you have the chance to help families around the world change their story of hunger for good.

Because of your support, families will learn to plant and grow their own food, gain access to markets, and be trained how to protect their resources so they are better prepared for future crises.
