During the weeks of the Advent season, we celebrate the light of hope, peace, love, and joy we find in the birth of our Savior, Jesus Christ. He is the Light of the world! When you light the Advent candles as a family of faith this year, join World Renew in sharing the Light of Christ with people around the world who experience oppression, hunger, illness, and disaster in poverty.

With your financial donation to the World Renew 2020-2021 Gift Catalog and Giving Tree Project, you share God's light with those live in extreme poverty worldwide. Through World Renew, your faith is visible in local churches around

the world as they reach out to their most vulnerable neighbors with food security, economic opportunities, disaster response, good health, and justice.

In this especially challenging time when the COVID-19 pandemic is an additional global threat, your Advent gift for World Renew can have an even more long lasting, positive effect in lives and communities. The duck or goat, farm tool or baby scale you give today may be the light someone needs to see the fulfilling life that God intends for them. Thank you for sharing the Light of the world this Christmas!
