Food FOR EVERY Table.

WORLD
HUNGER
2020

OVER 1 BILLION PEOPLE AROUND THE WORLD know the story of hunger. They feel it in their bellies, see it in their communities, and taste its emptiness every single day.

Today, more children are being birthed into hungry families than yesterday. Today, people's health, opportunities, and potential are all threatened, simply because they don't have access to enough healthy food.

As people of Jesus, we know: the story has to change.

Jesus came to bring his love and blessing to every table, and he invites us to do the same. Jesus invites us to the table of a Zambian family battling droughts that have ruined their harvest. Jesus invites us to the table of a scared Syrian mother who feeds her children using food vouchers.

Around the world, families struggle to place food upon their tables, and Jesus calls us to bring His tangible love to all of them.

We partner with organizations to assist the world's families in growing their own food sustainably, saving their resources for food crisis, and providing emergency response when violence or disaster has robbed people of access to food.

While many factors contribute to food scarcity for families trapped by the story of hunger, only one thing can transform that story with hope—the love of Jesus, shared with every table by people like you. Give food to a family's table in your offering today.
